

SIR ROBERT WALPOLE

# Annual Report

WALPOLE, MASSACHUSETTS

# 1963

Reproduced on the cover of this Town Report is an Etonian portrait of Sir Robert Walpole. It was presented to the town on its 16th anniversary by one of its most loyal and illustrious citizens, Isaac Newton Lewis. The portrait hangs in the Selectmen's room at the Town Hall.

*"There was some difference of opinion as to what the new town should be called . . . but as Sir Robert Walpole had for three years past been Prime Minister of England and her Colonies, and had always proved their true and helpful friend, this little struggling community gladly accepted the honor of his name,"* wrote Mr. Lewis in his book, *"A History of Walpole, Mass."* published in 1905 by the First Historical Society of Walpole.

With the name decided upon, the bill setting up the new town of Walpole was speedily passed, final action being taken by the Great and General Court on December 10, 1724.

## Highlights of 1963

New schools, to accommodate the increasing student population, head the list of town highlights of 1963. The Boyden School addition in South Walpole was completed in time for use at the September opening of schools. In October, work was started on the Old Post Road elementary school. The building is scheduled for completion late in 1964, or earlier.

Old Post Road was also in the news when the \$202,000 drainage, sewerage and surfacing project got under way in September. Storm drains were installed under the roadbed and a large pipe was laid through Bird Park to drain the surface water into Pickerel Brook. A sanitary sewer line was also installed. Surfacing of the road will be completed as soon as weather permits.

The town lost a valued and devoted citizen when Collector of Taxes James H. Ginley died on September 19th. He had served as Collector for 27 years, carrying out his duties so effectively that Walpole has one of the best records of tax collection in the State.

The town also mourns the deaths of retired Police Chief Timothy A. Cullinane (March 16) and Dr. Francis J. Allendorf (December 26), former health officer of the town for 15 years.

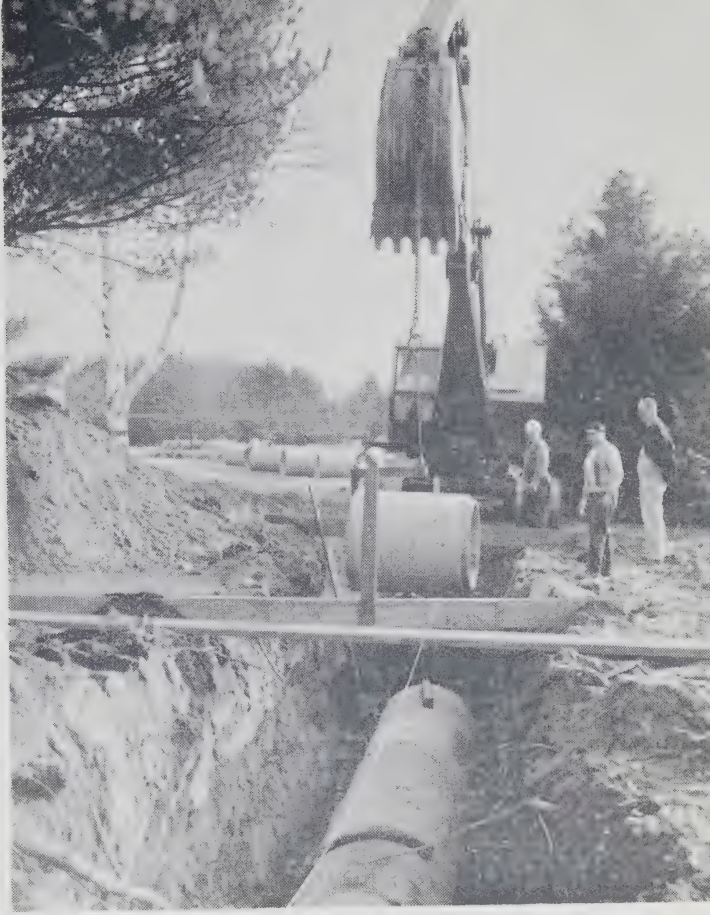

Through the Board of Health a number of polio clinics were held at Blackburn Memorial Hall for the distribution of oral polio vaccine. Thirty-as many in May. The third regular clinic was held in June, with additional clinics in the fall to provide the vaccine for those unable to participate earlier. It is estimated that 12,563 citizens participated during the year.

AT DAY'S END children leave the new entrance of Boyden School, South Walpole, to board the school bus. Part of the wall of the new Cafetorium is in the left foreground.

INSTALLING DRAIN-  
AGE PIPE in Bird  
Park. This large drain  
carries the surface  
water from Old Post  
Road to Pickerel  
Brook in Bird Park.  
The work was done  
by Joseph Capone &  
Son, Inc.

The growing interest in Conservation was indicated with the acquisition of Clark's Pond on Stone Street last year and negotiation for Cobb's Pond in the fall of this year. The money for the latter purchase was voted at the town meeting on October 15, supplemented by a most generous gift of \$10,000 from an anonymous donor. Negotiations were being carried forward as the year ended.

The Clark's Pond area comprises 7 acres of water and 2 acres of land. The Cobb's Pond area contains 11 acres of water and 19 acres of land. The Conservation Commission is actively at work to preserve other suitable areas. In the warrant for the Town Meeting of 1964 are two articles relating to the establishment of flood plain and water conservation areas. The need for an adequate water supply has been evident for years and the six hundred persons were processed at the first clinic in March and nearly subject of much study by succeeding Boards of Selectmen. The necessity is emphasized when serious droughts occur. Since Walpole cannot be linked with the Metropolitan Water System at present, additional supplies

**SKATING AT MEMORIAL POND.** Hundreds enjoy this popular winter sport, especially on week ends. The Town keeps the ice cleared during the skating season.

will have to be found within the town, or from some other practical nearby source.

During the year the Neponset Valley Trust, first suggested by the Walpole Conservation Commission, was formed. This is an organization of citizens interested in the conservation of land and wildlife in the Neponset River watershed area of Walpole and adjoining towns.

One of the town's old buildings—the Polley Tavern in South Walpole—was razed in August. The site will be occupied by the new parish house wing of the South Walpole Methodist Church, now under construction.

The Walpole Historical Society has been active in 1963, holding many meetings and offering several exhibits for the public.

Early in the year the first step in major changes at the Walpole Country Club was completed with the rebuilding and relocating of the first three greens and the installation of a permanent watering system. A new practice green was constructed in the area of the former first green. The rebuilding program will be continued in future years.

Among the several firms which have opened for business this year

CHRISTMAS LIGHTING in Walpole Center — Christmas 1963

are: The Towne & Country Furniture Company in East Walpole; Novick's Restaurant and the B & H Truck Terminal on the Providence Highway; the Plaza Record Shop at the Walpole Plaza; the Colony Welding Supply Company off South Street and the Sharon Country Day Camp off Common Street.

THOUSANDS CAME to the several Polio Clinics held during the year at Blackburn Memorial Building.

# Board of Selectmen

LEVI SALONEN, *Chairman*

GILBERT W. ANDERSON, *Clerk*

RICHARD H. HOLMAN

EDWARD J. DELANEY

FRANK W. SMITH

	No. of Employees	Budget	Expenditures
1950	5 Selectmen and Part Time Clerk	\$3,900.00	\$3,751.15
1960	5 Selectmen and Full Time Clerk	5,923.60	5,694.10
1962	5 Selectmen and Full Time Clerk	7,052.96	6,485.73
1963	5 Selectmen and Full Time Clerk	7,516.36	7,555.22

At the close of 1963, the balance in the Excess and Deficiency Account was \$293,845.11.

Included in the many duties and issues confronting the Board were the following:

A list of Special Municipal Employees was established to comply with the new Conflict of Interest law.

Two public meetings were held on the East Walpole drainage and after passage at the Town Meeting, work was begun and is well under way.

A series of public meetings were held covering all phases of the Fisher Street layout proposed by the County under Chapter 90. A Special Town Meeting was also held on this issue and the Article presented to withdraw from County and State participation was defeated.

All required apportionments were made to the various Departments and Commissions.

A Master Plan Steering Committee was established. Also Committees on Transportation and on Public Celebrations.

Three Special town meetings were called. The Selectmen met with Norwood and Westwood Selectmen on the proposed use of Buckmaster Well water supply.

An appointed Study Committee proposed higher Group Insurance coverage for town employees. These were approved and instituted by the Board.

Gilbert W. Anderson retired at the end of three years on the Board.

The Selectmen thank all appointed and elected officials and committees for their cooperation and assistance throughout the year.

# Town Administrator

ROBERT B. BOYD, JR.

	No. of Employees	Budget	Expenditures
1953	3 and Part Time Clerk	\$17,245.00	\$16,124.00
1962	3	21,150.00	20,262.00
1963	3	21,680.00	21,622.00

## Public Works Department

H. E. WILLIS, *Superintendent*

	No. of Employees	Budget	Expenditures
1953	48	\$191,692.00	\$212,635.00
1962	39	354,358.00	325,012.00
1963	38	366,418.00	345,750.00

This report covers the work of the Highway, Park, Water, and Sewer crews, which comprise your Public Works Department. The above figures are the operating budgets for these crews, and do not include sums spent for construction articles.

## HIGHWAYS

### ROAD CONSTRUCTION

1. The North Street construction, started in 1962, was completed this year, under Chapter 90.
2. Norton Avenue construction, started last year, was completed on a 50% betterment basis. Portions of Barstow Road and Highland Street were constructed under the same law.
3. Construction was begun on a 1000 foot portion of Cedar Street, from Conifer Drive southerly. The arrival of winter halted the work.
4. The construction of Old Post Road was begun, in conjunction with the installation of a sewer. Work was suspended by cold weather before any oil treatment could be applied, but not until most of the drainage had been installed.

### DRAIN CONSTRUCTION

1. The biggest drainage project Walpole has seen since WPA days was started in East Walpole, from Walcott Avenue southerly to High Plain Street. Most of the pipe is in Old Post Road (see above) and the remainder in Francis William Park.

2. A drain was completed from Baker Street to a swamp, through private property, making it possible to drain the area above Baker Street. This was built in co-operation with a private developer.
3. The Glenwood Avenue drain was extended.
4. A drain was installed in Common Street from Shawnee Street to Hutchinson Road under Chapter. 90.
5. Drainage was provided at the intersection of West and Norfolk Streets.

#### **RESURFACING**

Bituminous concrete surfaces were placed on Washington Street from Water Street northerly, Pleasant Street from Walcott Avenue southerly, and on Walcott Avenue. The Washington Street job was under Chapter 90, and the other two were streets where water mains had been installed last year.

The following streets were sealed with tar and sand: Breezewood; Bruce; Cedar, at southerly end; High, from Medfield town line 2,000 feet easterly; MacDonald; Millpond; and North, from Gould Street 600 feet northerly.

Asphalt and stone were applied to the following streets: Alice; Bellingham; Bonnie; Carpenter, from Hutchinson southerly; Coney, Pleasant to Route 1; Domenica; Dudley; Edgewood; Eleanor; Elm, West to East; Field; Flonun; Front; Fuller; Gould Street; Grant Avenue; Haynes, Huntington; June; Killeen; Marguerite, from Common part way; Massachusetts; May; Morningside; North, Fisher to 1963 construction; Plimpton; Polley; Riverview; School; South, Common to Washington; Spring; Stone; Vane; West, Norfolk to Plain; Winter, Route 1A westerly to 1962 pavement; Winthrop; and Woodard.

We applied 10,703 gallons of tar, 48,245 gallons of asphalt, and 9,116.5 tons of bituminous concrete in the resurfacing program.

#### **PARKS**

##### **MOWING**

The dry weather of late summer and fall reduced the need for mowing somewhat. A special effort was made on the grounds at the Junior High School.

##### **SHADE TREES**

Twenty-four shade trees were removed and 66 planted. Spraying of selected elms was done by a truck mounted mist blower, and sanitation was performed on 45 trees. We picked up 88 loads of leaves for our mulch pile.

RECREATIONAL AREAS

The ice at Memorial Pond was maintained for skating and was much used. A used planer was very helpful in keeping the ice smooth.

Normal care was given to the High School athletic area, but the drought of September and October created problems at the football field. Additional care will be given here next year.

TOWN FOREST

Thanks to the assistance of Sheriff Hedges, much good work was accomplished by prisoners in the area between Washington Street and Route 1, during the 68 days they were with us.

As the woodlands were closed during October, no public outing was held in the forest this fall.

A boggy area off South Street was excavated by Town forces to create a water hole, and 98 truck loads of peat were salvaged.

The sale of firewood to a local industry yielded \$337.50.

John Haan, well known as "the man with the black derby", retired in mid-year. His colorful personality will be missed.

WATER AND SEWER

WATER

Number of gallons pumped in 1963 .....	652,343,000
Number of new services .....	129
Number of services discontinued .....	17
Number of renewed services .....	44
Total number of services .....	3,806

No water restrictions were necessary this year, although the dry spell of October was severe, with no measurable rain for 25 consecutive days. Efforts are continuing to obtain a source of water from outside of town.

The following additions to our distribution system were made by the Town:

Street	Length	Type	Hydrants
Brown .....			1
Cedar .....	300	8" AC	
Davis .....			1
North .....			1
Old Post Road School Access Road .....	530	8" CI	2
Plain .....	272	6" CI	
Route 1, Irving to Hilltop .....	2062	8" CI	5
Route 1, between Coney and Union .....	538	6" CI	
Summer .....	1268	10" CI	
Victory .....	372	6" CI	1

And the following additions were made privately:

Street	Length	Type	Hydrants
Autumn .....	108	6" CI	
Cherry .....	270	6" CI	1
Clarkson .....	328	8" CI	
Hemlock .....	684	8" CI	
Hemlock .....	144	6" CI	1
Production .....	1012	8" CI	1
Sherwood .....	184	6" CI	
Spring Valley .....	382	6" CI	
Tetreault .....	1008	6" CI	1

A total of 8,194 feet of main and 15 hydrants were added to the system, while 1,268 feet of main was renewed. This brings the system mileage to 76.83, with 505 hydrants.

Other work included painting the exterior of the Davis Street tank, washing 93 wells, surging the Mine Brook well and replacing the pump, and another crossing of Route 1 by tunneling.

Water quality problems, which arose unaccountably in East Walpole, were extensively investigated with the help of the State Health Department. Faulty check valves in a local industry were found to be the reason, and the inspection of these has since been carried out on a more thorough basis.

A badly needed secondary source of electrical power was added at the main pumping station. This should make the standby diesel power source unnecessary.

#### SEWER

Sewer laterals were installed as follows, by the Town:

Brook Lane .....	269 ft.	10 inch
Coolidge .....	749 ft.	8 inch
Hoover .....	492 ft.	10 inch
Old Post Road .....	4334 ft.	8 inch
Union .....	307 ft.	10 inch
Union .....	307 ft.	14 inch
Union to outfall .....	211 ft.	14 inch

Private developers installed the following:

Autumn Lane .....	259 ft.	8 inch
Cobb Terrace .....	830 ft.	8 inch
Spring Valley Road .....	538 ft.	8 inch

This increase of 1.57 miles brings our system total to 19.98 miles.

Forty-seven new services were installed, making the system total 931.

EQUIPMENT

Your Public Works Department purchased a four wheel drive tractor-loader, a smaller two wheel drive tractor-loader, and a sand and chemical spreader. The two loaders have been in almost daily use, while the sand and chemical spreader is used for ice control.

Norfolk Mosquito Control Project

JOHN C. KUSCHKE, *Superintendent*

Aerial Spraying .....	573 acres
Ground Spraying .....	1,388 acres
Ground Pre-Hatch Dusting .....	161½ acres
Drainage .....	4,096 feet
Brush Clearing .....	1,966 feet
Culverts Cleaned .....	5 culverts
Catch Basins Treated .....	1,980 catch basins

Public Buildings

OLAF OLSON, *Working Foreman*

	No. of Employees	Budget	Expenditures
1953	4	\$41,205.00	\$38,563.00
1962	7	78,147.00	67,817.00
1963	7	72,770.00	64,912.00

The following major repairs were made to the various public buildings, in accordance with the Permanent Advisory Building Committee program.

- Town Hall*—Tower waterproofed.
- Blackburn*—Termites eliminated.
- East Walpole Fire Station*—Hay loft converted to kitchen.
- New Stone School*—Acoustic ceiling installed in cafeteria.
- Bird School*—Fluorescent lights installed in three rooms; acoustic tile installed in cafeteria and kitchen.
- Plimpton School*—Modern heating and ventilating system installed; Heavy wire screens installed over rear windows.
- School Administration Building*—Portion of roof and gutter replaced; wall removed to expand committee room.
- High School*—Portion of Section A roof replaced.

The Plimpton School heating renovation was the principal job listed above. In addition to the other listed items, there was a continuation of the painting program, both interior and exterior.

## Purchasing

The major contracts awarded during 1963 were as follows:

1. Sewer, drain, and road construction— Joseph Capone & Son, Roslindale .....	\$201,982.00
2. Garbage removal— Medeiros Stock Farm, Norton (3 years) .....	57,500.00
3. Sewer and drain construction— Swanson Contracting Co., Walpole .....	30,944.00

## Plumbing Inspector

EDWARD F. ONION, *Inspector*

Two hundred eighty-five plumbing permits were issued, and inspected during the year, with satisfactory workmanship throughout the town. All complaints were investigated and taken care of.

## Wire Inspector — Town Electrician

CHESTER L. DONNELL

A total of 858 inspections were made during the year.

During the year our fee schedule for wire inspection was revised, and copies made available to those that desire them.

All complaints concerning electrical installations were investigated and taken care of with satisfactory results.

Among other installations were the following:

- Completed fixture installation program at the Bird School.
- Completed fixture installation program at the Plimpton School.
- Installed new 400 amp. service at the Plimpton School.
- Installed new receptacles in section A at the High School.
- Carried on maintenance of all electrical equipment and wiring in the town owned buildings.

## Town Sanitarian

PUTNAM STEELE, *R.S., Sanitarian*

Inspection, percolation tests and layout of sewage disposal systems were made on all proposed building lots before permits were issued. Inspection before backfill of sewage disposal systems are routinely made to insure proper construction according to specifications.

Complaints were promptly investigated and corrected as quickly as possible. Sewage complaints and requests for advice received necessary sanitary engineering and specifications as well as supervision.

Inspections of all eating and drinking establishments were made as required and bacteria swab counts of utensils, school cafeterias were included in this program.

Inspections of toilet facilities and industrial sanitation were made at seven industries.

A total of \$1,030 was committed to the Town for 103 septic tank permits.

## Milk Inspector

GEORGE E. YETMAN

### ANALYSIS AND BACTERIA COUNT

Insemikit Co. ....	65.00
	<hr/>
	\$679.25

All milk dealers shipping milk to Walpole were licensed. All restaurants and stores selling milk and cream were inspected and issued licenses. One dealer was refused a license after application was received, but after repeated samples showed bacteria counts under the maximum prescribed, his license was issued. The program of checking samples for antibiotic residue has been continued as suggested by the State Department of Health. All samples have been negative. Spot checks on refrigerated milk dispensers have been made. Only one sample was found to be below standard and the follow-up check was well within the limit. All records were kept, reports made, and results of all tests sent to dealers involved.

### School Dentist and Dental Hygienist

EDWARD SMOOKLER, D.M.D.

ALICE BOURASSA, R.D.H.

MRS. PHILLIP ZLOCHIVER, R.D.H.

The school dentist, Dr. Edward Smookler, rendered dental services to the children eligible for treatment at the dental clinic.

The hygienists, Miss Bourassa and Mrs. Zlochiver, continued the educational program through their monthly classroom visits.

Beginning in October, Luride Phosphate was substituted for Sodium Fluoride as a topical application to the teeth. This Luride Phosphate Solution is considered to be more effective in making tooth enamel resistant to decay.

The type and number of dental operations are listed below:

	Deciduous Teeth	Permanent Teeth
Number of Extractions .....	158	24
Number of Fillings .....	738	1122
Total of Operations .....	2126	
Number of Patients .....	383	
Number of Visits .....	712	
Fluoride Applications .....	1477	

---

## IN MEMORIAM

DR. FRANCIS J. ALLENDORF

1903 - 1963

Health Officer of the Town for 15 years from 1948 through 1962,  
and practicing physician in Walpole for 30 years

---

### Health Officer

JOHN JOSEPH HAYES, M.D.

The general health of the community has been excellent. There was no increase noted in contagious diseases except for the normal seasonal variant.

Due to climatic conditions there was a noticeable increase in insects; this was also related to the diminished use of pesticides until further research has been carried out.

The final stage of the Oral Polio program is now underway, there being one clinic date remaining in March 1964 during which all types will be distributed. This will be the final clinic sponsored by the Town.

During the past year clinics have been held at Blackburn Memorial Hall to include all newborns, adults and others who failed or were unable to take part in prior programs. Approximately 12,563 citizens took advantage of the Oral Polio program, which was gratifying. The tremendous success of this program is a credit to the public spirited citizens who sacrificed considerable time and effort in conducting these clinics.

All complaints to the Department were investigated and corrective measures were taken where indicated.

The Health Officer wishes to extend his sincere appreciation to all who have contributed in making this a successful year.

## Inspector of Animals

DR. FRANCIS X. MAGUIRE, *Veterinarian*

All premises where livestock is kept were visited and inspected.

All livestock coming into state from other states were inspected and all regulations of the Division of Livestock Disease Control complied with.

As our population increases the number of dog bites increases. The regulations covering this have been carried out.

## Swimming Pools

ROBERT M. GRANAY, *Supervisor*

The swimming season was from July 1st to August 31st.

Classes were held in Junior and Senior Red Cross Life Saving, at the Center Pool.

Over 1000 children registered for swimming lessons at the Center Pool and South Pool. Red Cross classes were held for non-swimmers, beginners, advanced beginners, and intermediates.

The classes were under the direction of Miss Dorothy Kunde.

The supervised swimming program at East Walpole, Walpole Center, and South Walpole was well patronized all summer by the children of Walpole. It was gratifying to see the interest that the parents take in the swimming activities of their children.

## Playgrounds

CHARLES A. HANEY, *Supervisor*

The supervised Walpole summer playgrounds were open this year from Monday, July 2 to Friday, August 24, a period of eight weeks. Each playground had a male and a female leader who were on duty Monday through Friday from 9:30 A.M. to 12:00 noon, and from 1:00 P.M. to 4:00 P.M. on all fair days.

The town has five playgrounds which are located as follows: behind the Plimpton School on Common Street; Bird Park in East Walpole at the music court; North Walpole behind the old Fisher School; South Walpole at the Boyden School; and behind Blackburn Memorial building at Walpole Center. The South Walpole playground was not open because of construction of the Boyden School addition on the playground site.

A wide variety of activities was offered at the playgrounds to the children of Walpole. Baseball, softball, horseshoes, badminton, touch foot-

ball, whiffle ball, croquet and ping pong were some of the active games played daily. Many quiet type games such as checkers, scrabble, chess, monopoly, sorry, dominoes, bingo, parchesi, life, and others were available. An arts and crafts program was conducted.

In addition to the regular playground games the program featured special weekly events. The play areas each held a scavenger hunt and a coloring contest. Tournaments were conducted in ping pong, horseshoes, badminton, checkers, and chess. Very well attended this year was the annual trip to Fenway Park which gave Walpole children the opportunity to watch two major league ball teams (Red Sox and Kansas City) in action.

In August the annual playground novelty races were held at the Central playground. Finally, climaxing the program, was a visit to Walpole by the Boston Children's Theatre Stagemobile which presented its version of "The Pied Piper of Hamelin."

Attendance at all of the events, as well as regular daily playground attendance, showed a substantial increase over last year.

# Department of Weights and Measures

KURT R. GROOTE, *Sealer*

During 1963, the following services were performed:

## SEALED

Scales over 10,000 lbs. ....	13
Scales 5,000 to 10,000 lbs. ....	4
Scales 100 to 5,000 lbs. ....	61
Scales under 100 lbs. ....	75
Weights .....	200
Yardsticks .....	13
Capacity Measures (Liquid) .....	4
Meters ( Gas Pumps ) .....	55
Meters ( Air ) .....	7
Vehicle Tanks .....	28
Bulk Storage Plants .....	3
Automatic Measuring Devices .....	14

## Re-weighed for correctness:

Flour .....	28
Butter .....	53
Liquids .....	120
Meats .....	90
Fruits, Vegetables .....	68
Bread .....	34

Checked 40 markings of food packages.

All of the School Department scales and those of the Health Officer were inspected and sealed.

Total receipts of \$351.70 were turned in to the Town Treasurer.

# Visiting Nurse Association

JOAN L. KEADY, R.N., *Head Nurse*

AURELIA NEWELL, R.N., *Staff Nurse*

*Permanent Substitute Nurses*

BEVERLY PENNIMAN, R.N.

ELEANOR WEISSENT, R.N.

---

DOROTHEA M. PEARSON, *Secretary*

ELIZABETH M. PERRY, *Treasurer*

The most outstanding service during the year 1963 was the campaign for polio immunization. Clinics were held in co-operation with the Walpole Public Health Department and 12,563 treatments recorded. Also a total of 4,144 visits were made by the nurses whose services included health guidance, instruction to mothers in the care of the newborn, help in the rehabilitation of the chronically ill, and classes in First Aid and Child Care.

Re-organization of the T.B. records was given special attention by the nurses who met with the State Supervisor many times in order to improve their accuracy.

The State Physio-therapist, Miss Ann McKenna, gave valuable assistance regarding exercises in the treatment of a patient with multiple sclerosis. We would like to see this service more readily available to Walpole residents, especially in the treatment of the chronically ill.

The nurses attended In-Service Education lectures for Public Health Nurses sponsored by the State Department of Public Health. These lectures keep our nurses in touch with the changing ideas and up-to-date procedures constantly taking place.

We are grateful to those citizens who thoughtfully contributed many pieces of equipment this year making it possible for us to distribute an increasing variety to those in need.

During the year many meetings were held and information collected in regard to the need for a Family Service for Walpole. Because of the many inquiries received by the nurses this service is being seriously considered.

The Executive Director of the Norfolk Guidance Center has asked the Association to help in a nationwide survey for Mental Health needs and the resources available for handling the problem.

Because of the increasing population in Walpole new problems are arising. It is our hope and purpose to keep in touch, constantly, with those

agencies and citizens who will help us to handle these problems wisely and efficiently to the benefit of all.

We thank all organizations and residents through whose help and contributions the services of the Association are made possible.

# Committee for Special Recreation

RUTH ADELE HOLMAN, *Chairman*

PHILIP S. FASSNACHT

CHARLES A. HANEY

Recreation is a vital need for the young and old, the normal and the handicapped—it is a human need. Recreation is a necessity for the non-handicapped person to fulfill his physical, emotional and aesthetic needs. It is an even greater necessity for the person limited by some handicap. The Special Recreation Program in Walpole is concerned with offering the mentally handicapped the opportunity to develop self confidence, and acquire physical and social satisfaction.

It is essential that we discern first who the mentally handicapped are. In the United States today it is estimated that there are over five and a half million persons who are mentally retarded due to accident or illness. Ninety percent of these people fall into the category of mild retardation and live among us without being identified or set apart. Six percent are moderately retarded and many profit from training and guidance to become at least partially capable of contributing to their own support. The other four percent are grouped as severely and profoundly retarded, requiring custodial care.

Walpole, in its special recreation program, is concerned with those among the mildly retarded who show less social adaptability and a greater dependence on others. Also concerned, are the moderately retarded or the trainable group. The program is unique in its day camp environment and offers a wealth of enjoyment and reward. Conducted at Millbrook through the gracious generosity of Mrs. George D. Dutton, the camp during the 1963 season was held for eight weeks through July and August. Thirty youngsters from Walpole and seven surrounding communities were under the supervision of a staff of six from 9:00 A.M. until 3:00 P.M. five days a week. The director, the assistant director and four counselors were assisted by a corps of volunteers at camp and on field trips.

All sanitary and safety measures were undertaken. The health officer and the sanitation officer both investigated and fully approved of facilities and conditions; the Civil Defense Director was consulted; the Town Counsel assisted on a number of occasions where legal advice was necessary; the Visiting Nurse and the Town Health Officer made a cursory examination of each child upon the opening of camp (this in addition to medical requirements stipulated by regulations).

Recreation was provided in many forms—at times educational, frequently entertaining and on occasion busy work, and at all times fun. Nature excursions through forest and fields, fishing trips to local ponds and streams, field trips to museums and places of interest, plus swimming

and water safety, story-hours, arts, crafts and games all contributed to a summer of pleasure and assistance in helping the children develop latent interests and abilities.

The closing week provided an opportunity for Open House for the children to have parents, friends and town officials as their guests. Square dancing and games were performed to demonstrate the learning ability of each child; free play was permitted allowing visitors to observe the fun and enjoyment that retarded children experience in a social atmosphere.

The amount of \$5,000.00 was appropriated to conduct the special recreation program; \$4,186.59 was expended. Reimbursement from the towns of Canton, Medfield, Norfolk, Norwood, Sharon and Westwood was received in addition to that from the Commonwealth of Massachusetts and the South Norfolk County Association for Retarded Children, Inc. Total reimbursements were \$3,927.39 resulting in an actual cost of \$259.20 to the Town of Walpole.

Immeasurable appreciation is extended to all who contributed to the successful summer program and the pleasure of children who cannot speak for themselves.

## TIMOTHY A. CULLINANE

1897 - 1963

A member of the Walpole Police Department for almost 40 years and Chief of Police from 1949 to his retirement, August 1, 1961.

# Police Department

C. WILLIAM HAGGBLOM, *Chief*

	No. of Employees	Budget	Expenditures
1950	14	\$64,622.00	\$60,339.97
1960	18	121,795.00	121,781.13
1962	20	148,861.51	140,352.60
1963	20	165,724.51	160,739.67

The year 1963 was an exceptionally sad year for our department, for three times during the year we laid to rest both active and retired members. On March 16, 1963 Retired Chief Timothy A. Cullinane passed away. On November 10, 1963 Sergeant Joseph J. Burke passed away. On December 9, 1963 Retired Officer Patrick J. Egan passed away. A "Full Police" funeral was held for each, which they so richly earned and which we felt so proud to do.

On August 1, 1963 Officer Wallace "Wally" Duncan retired from the force after completing 39 years of faithful and loyal service. His record as a policeman was outstanding.

In May, 1963, Richard Edgerly was appointed a permanent police officer as was Kenneth Hutchins in August of 1963. Both these officers attended and completed an extensive six weeks training course which comprised traffic control, firearms training, court procedure, investigation, first aid, public relations and other police procedures.

PATROLMAN WALLACE R. DUNCAN retired in August after 40 years of service in the Walpole Police Department.

The Police Pistol team once again enjoyed a very successful year. They won the Norfolk County Trust Company Trophy for the sixth time since the league formed eight years ago. The team also competed in other matches held in New England and won team and individual honors. It is one of the better police pistol teams in the Eastern part of the United States.

During the past year we launched a bicycle safety program for all elementary school children which proved highly successful. We intend to continue and improve the program.

The year 1963 passed by without a serious major crime or juvenile problem. I believe that part of the success can be traced to our program regarding the prevention of crime. It is to be remembered, however, that cooperation by many citizens in this Town has been another part of the success picture, as it is a fact that a community's crime rate is primarily the product of its inhabitants. Positive action to reduce crime must begin with each individual citizen.

A long range study and survey of traffic problems in Walpole and other safety studies are still being worked on in order that we may better serve and protect our citizens.

In the past year we have set up on a trial basis, a new system of investigation of complaints and crime and if it proves to be successful (and so far it has) it will be incorporated as a permanent procedure in our department.

The following are some statistics taken from the F.B.I. Uniform Crime report, which we believe will be of interest to our citizen:

In the United States, in 1962—2,048,370 serious crimes reported, a 6% rise over 1961.

Crime in past five years increased four times faster than population. Four serious crimes per minute recorded on crime clock.

Auto thefts up 9% in 1962 with over 356,000 cars stolen. Keys left in car or ignition unlocked in 42% of thefts. Over two-thirds of autos stolen at night.

Firearms used as fatal weapon in 54% of murders in 1962. Cutting instruments used in one of every four killings. Murder highest in December, lowest in January.

Stolen property in 1962 valued in excess of \$650 million. Average value per robbery \$223, burglary \$192, and larceny \$76. Loss from stolen property cut to 49 cents on a dollar by police recoveries.

Female arrests increased at faster pace than male arrests. Arrests of young people under 18 up 9% over previous year.

Average number of police employees is 1.9 per 1,000 population.

Seventy-eight police killed in the line of duty, in past year.

The following are some of the statistics taken from our 1963 police blotter as compared with 1962:

	1963	1962
Complaints investigated .....	1903	2023
Arrests .....	98	110
Accidents .....	345	292
Fatal Accidents .....	3	3

Dogs Struck and Killed by Motor Vehicle .....	31	48
Dead Cats Removed From Street .....	21	17

I express my sincere appreciation to the police officers, to the Town officials, the Justice, the Clerk and all the personnel of the District Court and to all others for their cooperation, assistance and understanding of our problems.

# Fire Department

ROBERT M. GARDNER, *Fire Chief*

	No. of Employees	Budget	Expenditures
1950	53 (Part time—call men)	\$25,685.15	\$25,504.90
1960	53 (Part time—call men)	34,519.50	37,264.05
1962	53 (Part time—call men)		
	1 (Full time—permanent Chief)	53,784.00	56,826.46
1963	53 (Part time—call men)		
	1 (Full time—permanent Chief)	82,097.75	70,010.82

The year 1963 was a busy one for the Fire Department. During the late winter cellar pumping was performed at a number of locations. Sericus grass and woods fires occurred in the spring. We were fortunate, however, in having only one large acreage fire at this time. It was started by a diesel railroad engine in five different locations eventually burning into three fires. Every piece of equipment was pressed into service including the booster lines on our aerial ladders and mutual aid was gratefully received from Sharon, Foxboro, Norfolk, Medfield, and Westwood before the fire could be brought under control.

Four of our fire fighters attended the Seminar sponsored and directed by the Massachusetts Drill Instructors Institute, held in Worcester, Massachusetts, during the summer. Many valuable hints and ideas were brought back to our Department and incorporated in our fire attack methods.

In August, an Engine-Rescue piece was ordered from the Farrar Company, manufacturers of fire apparatus, with a tentative delivery date of April, 1964.

The fall grass and woods fire season was serious enough to cause Governor Peabody to close the woods and ban all open air fires. The Department was kept very busy during this period.

The entire Walpole Fire Department mourned the sudden loss of Fire Fighter Frederick W. Smith after sixteen years of faithful service.

It was through the cooperation of the townspeople as individuals in maintaining an awareness of fire and its treachery plus the enthusiasm and interest of our Fire Fighters that we were able to keep our losses at a minimum in 1963. May we do as well, if not better, in 1964!

## ALARM STATISTICS

	1962	1963
Sounded Over the Fire Alarm System .....	248	346
Still Alarms (Received by Radio and Telephone) .....	63	101
Total .....	311	447

No. Times Assistance Received from Other Towns .....	5	9
Monthly Meeting Tests .....	12	12
False Alarms Received by Telephone .....	2	1
False Alarms—Boxes Pulled .....	16	7

#### Fire Alarm Maintenance

During the year five fire alarm boxes were replaced as a result of our box replacement program. Five new street fire alarm boxes were installed in residential areas and one new master fire alarm box was installed on a school building. One new master fire alarm box was installed on a com-

mercial building at the owner's expense and connected to our fire alarm system. Expansion and changes in our outside circuits continued as planned. All boxes were checked periodically for defects and rewound after each alarm. The wire replacement program continued as in previous years.

Service interruptions on our system were negligible except for one extensive burnout caused by power company high voltage contact. A total of 2426 manhours were expended on maintenance, testing, repairs and new construction during the year. A total of 346 alarms were sounded over the system during the year; this is approximately a 40% increase over the previous year.

We have had the use of our fire alarm aerial ladder truck for one complete year and it has proven most effective in our work. Other town departments have used this truck at various times indicating additional value to the town not originally anticipated. It has been most valuable in times of system trouble as it is equipped with radio for communications, lighting and supplies required for every repair job encountered to date.

# Public Library

GEOFFREY E. PLUNKETT, *Chairman Board of Trustees* (1965)

DOROTHY W. SPEAR, *Secretary* (1965)

ELEANOR M. HARDING (1964)

LYTLE G. WILLIAMS (1966)

VIVIAN F. DUNN (1964)

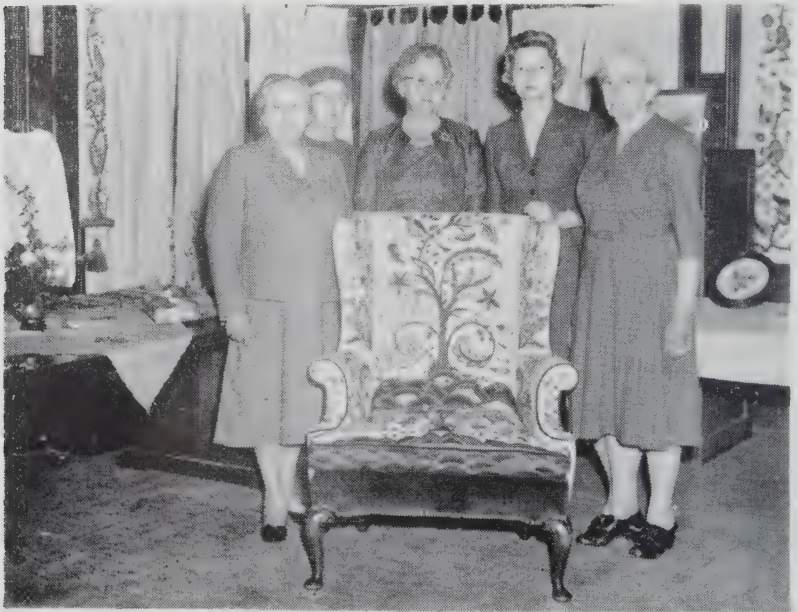

JOHN F. RYAN (1966)

DORIS M. QUINN, *Librarian*

LIBRARY ESTABLISHED ..... March 13, 1876

A concerted effort to build a stronger Reference Department, with particular emphasis on science and mathematics, was directed in 1963 by the Board of Trustees cooperating with teachers at the Walpole High School, who suggested titles to be used in the courses of study. This is part of a long-range plan which will use the State Grant-in-Aid money to improve the library's book collection. Also, the Head Librarian is currently enrolled at Simmons Library School in a course entitled, "Literature

CREWEL EMBROIDERY, done by skilled hands of Walpole women, was on exhibit at the Main Library during National Library Week. Among the exhibitors were, left to right: Mrs. Arthur Sanford, Mrs. John Keady, Mrs. Willard R. Kitchen, Mrs. C. Wingfield Davis, instructor, and Miss Mabel Everett. The chair is the work of Mrs. Beatrice K. Williams.

EARLY PICTURE of East Walpole Library Building, when it served as a church, is presented to Librarian Beryl Simpson by officers of the Walpole Historical Society. Left: George B. Burnett, second vice-president, and right, Lawrence Hewins, president. The Society held an exhibit in the East Walpole Branch Library on May 18, 1963, the 80th anniversary of the dedication of the building.

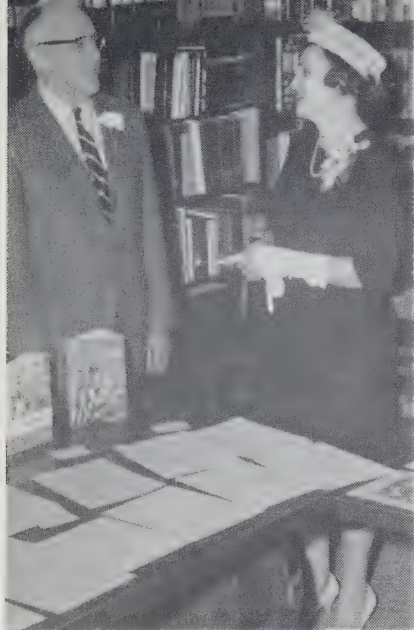

of Science and Technology," which provides the latest ideas for handling the demands of patrons who work in science or technology.

The need for reference books has been increasing steadily as the work-load assignments for advanced high school students and the average students have grown. Research is required of high school students for three thousand word papers with bibliographies equal to that demanded of college students. Serious effort is being made to build a solid information center in all areas as we are finding more college students referring to their local library. When one thinks of the heavy demand this makes on the ordering, processing, and cataloging of books it should reveal the operation of a library to be more than the mechanical stamping in and out of books.

It is our hope that the future will bring more mechanization to the library as shelf space for books is so limited. It will soon be necessary to provide back periodicals and reprints on microcards or microfilm. The Walpole Library does have a microfilm viewer (Recordak) which has been used by business men who bring their own films. At present, the Walpole Times and Walpole Star, dating from 1900 to 1960, may be seen on film.

As yet, the Regional program, which makes the Walpole Public Library a part of the Metropolitan Boston area with book loan messenger service from the Boston Public Library, is not in operation. We anticipate increased use of the library when the go-ahead signal is given.

National Library Week was observed during the week of April 21-27 under the direction of Mrs. Beatrice K. Williams and her committee: Mrs. Grandin Wise, Mrs. Arthur T. Colburn, and Mr. Edward Hawkins. The center of town was given over to library promotion with generous window display space furnished by the merchants. Particularly delightful was a Storyland exhibit complete with child mannequins and large stuffed animals furnished by C. E. Holt Company, with a large picket fence background furnished by the Walpole Woodworkers, all attractively

"THE MAKING OF A BOOK" Exhibit was a feature of National Library Week in 1963. Here, author Cecile Pepin Edwards of Walpole discusses one of her books with her illustrator, Forrest W. Orr.

enhanced with plantings supplied by Gallo Florists. This display was illuminated for night viewing by Charles George, Electrician, and drew many "Oohs" and "Aahs" from the tiny tots of Walpole.

Two days of National Library Week were given over to public exhibitions at the center library. On Thursday, April 25th, from 2 to 9 p.m., crewel embroidery was shown by the Walpole women who have been instructed by the honor guest for the day, Mrs. Mildred Davis, author of the book, "The Art of Crewel Embroidery." On Saturday, April 27th, "The Making of a Book" exhibit created much interest as the book, "King Philip," published by Houghton Mifflin Company was shown from the manuscript, galleys, original sketches and illustrations to the finished product. The library was proud to bring together Mrs. Cecile Pepin Edwards, author, and Mr. Forrest W. Orr, illustrator, who had met at the Walpole Public Library and later combined their efforts in producing this book, "King Philip." Much thanks is due to Mrs. Williams for a very successful National Library Week.

The East Walpole Branch Library had two important occasions to be noted. The first was the appointment on April 1st of Mrs. Loretta Parasco to fill the full-time position of Children's Librarian which had been open since Mrs. Marcia Carleton resigned in February of 1962. Mrs. Parasco, who holds a B.A. degree from Boston University, had worked at the branch library for one and one-half years prior to accepting this work. The second occasion to be noted was an "Open House" which was held at the East Walpole Branch Library to commemorate the 80th anniversary of the library building which originally was a church. The newly reorganized Walpole Historical Society sponsored this occasion by exhibiting memorabilia of the early days of the town and serving tea to the interested guests.

YOUNG PEOPLE'S DEPARTMENT, for grades 7-8-9, at the Center

Ralph W. Davis, the beloved custodian of the center library building, retired on April 1st after having served the library since July 1947. His dry humor and Yankee wit delighted both patrons and staff members. He performed many extra duties which were not publicized, including delivery of books to shut-ins. Because of Mr. Davis' retirement the Trustees decided to have night cleaning done by Clean-Brite, Inc., who do similar work for industries in town.

Two staff members completed college requirements for credited courses: Mrs. Louise Hawkins received a certificate for Cataloging and Classification, and Mrs. Grace Stornanti earned hers in a Reference course.

NORTH WALPOLE LIBRARY, Young People's Section

CHILDREN'S ROOM, Center Library

Among the interesting events of the year was the annual Children's Book Week display held at the Blackburn Memorial Hall where, at fifteen minute intervals, classes of school children with their teachers viewed over three hundred new juvenile library books. Because of the absence of exhibit space at the center library, this annual exodus of books is necessary.

U-N International Night was repeated for the second year in order to allow foreign speaking residents of the town to meet together in a social way. This is a joint project of the library and the High School Foreign Language Department under the direction of Mr. Ernest Camelio.

The Children's Departments of the Center and East Walpole Branch Libraries conduct Story Hours from November until April. Also, a vacation reading club is sponsored in the summer which is particularly helpful to all children of the elementary grades who need encouragement for better reading habits. One hundred fifteen Honorary Certificates were awarded for ten books read and four hundred seventy-six beautiful Flag Certificates were given for sixteen books read. The total club membership in the town was nine hundred thirty-five.

At the request of the Board of Trustees an Article was placed in the Town Warrant to study the need for expansion of the center library building and the demand for more book space to supply current needs. At a Special Town Meeting held on Tuesday, October 15th, a committee of

three (Mrs. Eleanor Harding, Mr. William Petrie, and Mr. John Coughlin) was appointed. The present library building was erected in 1903 for the use of 1,202 borrowers of a total population of 3,572 (1900 Census). Today the Library serves 7,478 borrowers of a total population of 14,068 (1960 Census).

The Head Librarian expresses her appreciation to the staff who so ably perform their duties which include working evenings, Saturdays, and hourly schedules to cover the lunch and supper hours. The circulation of books is increasing steadily with a noticeable gain at the North Walpole Branch Library which is so capably managed by Mrs. Gabrielle Tremblay. Use of the public library's books in the classrooms is decreasing which is to be expected since the public schools are setting up their own school libraries.

A "Thank You" is extended to patrons and friends who so generously contributed books, periodicals, flowers, and good-will. All suggestions to improve the service to the public are welcomed. Do not hesitate to make known your ideas as this is a community undertaking and criticism or praise help the whole image of the Walpole Public Library to be what you wish it to be.

Frederick E. Clapp Memorial Fund .....	34.16	25.00
Bird Scholarship Fund .....	1.60	.....
	\$21,541.64	\$22,380.53 *

\* Includes disbursements from capital

The former Walpole High School students who were the recipients of the Scholarships from the Charles Fales and Joseph Leach Scholarship Funds are listed in the School Department's report.

Capital Accounts of the various Trust Funds are shown in the Town Accountant's Balance Sheet under the heading Trust and Investment Accounts.

## Board of Appeals

DENIS F. O'BRIEN, *Chairman*

DAVID E. PERKINS, *Clerk*

GEORGE B. LYONS, *Member*

JOHN C. PEYTON, VINCENT BADALA, *Associate Members*

The Board of Appeals continues to meet on the first and third Wednesdays of the month whenever a petition is pending. Public Hearings are conducted in the Selectmen's Room at the Town Hall.

There were 63 hearings during the year 1963 as follows:

Special permits and variances granted .....	35
Special permits denied .....	6
Deferred .....	6
Informal Hearings .....	12
Petition Withdrawn .....	1
Continued Hearing .....	2
Extension of Temporary Permit .....	1

## Veterans' Services

JAMES J. FITZGIBBONS, *Director-Agent*

On November 10 Mr. Joseph J. Burke, assistant to the Director-Agent, passed away at the V.A. Hospital at West Roxbury. His sudden death was a deep shock to this Department and was a great loss to the veterans of Walpole, as Mr. Burke was ever ready to assist veterans of the Town in solving their many problems. He will be forever remembered by this Department. May he rest in peace.

The year 1963 showed no significant increase in the total cost of Veterans' Benefits over 1962, 1963 being \$12,962.87 against \$12,806.62 for 1962.

Each year sees an increase in the number of World War I Veterans and/or their dependents applying for pensions which they may be eligible to receive. During the past year this office assisted in the processing of many claims for pension benefits for veterans and their widows and children. It is gratifying to know that several thousands of dollars were awarded to these cases which had their processing originating in this Department.

We express our thanks to all those who were called upon to assist this office in any manner, and hope that we shall be received as cordially in the future as in the past.

## Town Treasurer

GERALD I. FLYNN, *Town Treasurer*

	No. of Employees	Budget	Expenditures
1950	1	\$6,045.70	\$5,673.96
1960	1 and 1 part time	8,583.55	8,612.12
1962	2	10,874.60	10,517.41
1963	2 and 1 part time	11,994.00	11,604.50

Cash in Treasury, December 31, 1963 .....	\$1,862,581.49
Norfolk County Trust Co. ....	\$422,177.40
First National Bank of Boston .....	2,000.00
State Street Bank & Trust, Boston .....	25,000.00
New Eng. Merchants Nat. Bank, Boston ...	27,321.40
New Eng. Merchants Nat. Bank, Boston (School Construction Account) .....	103,005.64
New Eng. Merchants Nat. Bank, Boston (Time Deposit) .....	250,000.00
Dedham Trust Company .....	15,000.00
Dedham Trust Company (Time Deposit) .....	100,000.00
South Shore National Bank .....	10,000.00
Boston Safe Deposit .....	5,000.00
United States Treasury Bills .....	842,472.11
Cash in Office .....	60,604.94
	<hr/> \$1,862,581.49

On investments made in U. S. Treasury Bills and time deposits by the Treasurer in 1963 the Town Treasury was enriched by the sum of \$13,932.07.

On December 31, 1963 the bonded debt of the Town of Walpole was ..... \$3,019,000.00

The total is divided as follows:

New Stone School .....	\$146,000.00
Sewer Construction .....	3,000.00
School Project Loan, 1954 .....	500,000.00
School Loan, 1954 .....	330,000.00
East Junior High School .....	1,040,000.00
School Loan, 1959 .....	480,000.00
Boyden School Addition .....	120,000.00
Old Post Road Elementary School .....	400,000.00
	<hr/> \$3,019,000.00

Our present debt limit as fixed by law is \$1,847,884.00. Of the \$3,019,000.00 total debt, \$1,630,000.00 is outside the limit and \$1,389,000.00 is inside the limit. The debt limit is arrived at by taking the average net valuation of the preceding three years and multiplying that figure by 5%.

Appropriations must be made in 1964 for the payments of bonds and notes amounting to \$262,000 and interest of \$86,891.25.

**THE FOLLOWING TRUST FUNDS ARE IN THE CUSTODY  
OF THE TREASURER**

Charles Fales Scholarship Fund  
Joseph S. Leach Scholarship Fund

Charles S. Bird Library Fund  
 Public Library Fund  
 Frederick E. Clapp Memorial Fund  
 Mary W. Hyde Library Fund  
 Bertha Poore Library Fund  
 Calvin G. Hartshorn Cemetery Fund  
 J. Ella Boyden Fund  
 Lewis Drinking Fountain Fund  
 Lucy J. Gould Library Fund  
 Bird Scholarship Fund  
 Henry P. Kendall Fund  
 Cemetery Care Funds

Income derived from the above funds totalled \$21,581.54.

## Building Inspector

EDWARD A. LAMORE, *Inspector*

WALTER C. ROCKWOOD, *Deputy Inspector*

	No. of Employees	Budget	Expenditures
1950	1 part time	\$2,560.00	\$2,513.75
1960	2 part time	4,046.50	4,046.50
1962	2 part time	4,611.88	4,534.08
1963	2 part time	4,985.00	4,889.65

### PERMITS

126 New Dwellings (173 Units) .....	\$1,618,500.00
59 Additions to Dwellings .....	100,700.00
4 New Commercial Buildings .....	63,000.00
4 Additions to Commercial Buildings .....	17,800.00
1 Addition to Manufacturing Buildings .....	4,000.00
11 Private Garages .....	13,800.00
5 Small Buildings .....	10,825.00
10 Swimming Pools .....	33,900.00
6 Dwellings Moved .....	11,400.00

229	\$2,323,953.00

\$3,264.00 remitted to Treasurer for 229 permits.

# Board of Public Welfare

## Medical Aid for the Aged

Old Age Assistance

Aid to Dependent Children

Disability Assistance

General Relief

### ADMINISTRATORS

BERNICE D. SHANNON, *Director*

HARRIET E. ERICKSON, *Senior Clerk*

### BOARD MEMBERS

RICHARD H. KANNALLY, *Chairman*

ROSE M. GRAY

BEVERLY PENNIMAN

	No. of Employees	Budget	Expenditures
1950	3 Board Members, Director and Clerk	\$85,249.00	\$72,669.48
	U. S. Grants	49,421.76	49,421.76
1960	3 Board Members, Director and Clerk	79,382.48	76,773.28
	U. S. Grants	34,289.52	32,238.06
1962	3 Board Members, Director and Clerk	69,427.36	65,746.46
	U. S. Grants	58,284.64	51,373.37
1963	3 Board Members, Director and Clerk	67,640.02	63,412.23
	U. S. Grants	72,004.26	58,271.64

The Department of Public Welfare has experienced increasing activity in every phase of the program during the past year.

Revisions of procedures governing the five categories of assistance have been constant. Recipients of Old Age Assistance were allowed an increase for the budgetary item "Leisure Time Activities" while single children of recipients of Old Age Assistance and Medical Aid for the Aged were allowed an increase in legal exemptions which are established by Statute.

All budgets of recipients of Old Age Assistance and Aid to Families with Dependent Children were revised and increased when the Division on the Necessaries of Life reported an increase in the cost of living index in the amount of 5.1%.

Because of Federal and State participation in various categories of assistance the administrative factors and accounting procedures are exceedingly complex and a great amount of knowledge and skill must be shown in order to have all data available for supervisory inspection and review by the State Department Personnel together with Federal Authorities.

We have made every effort to assist and strengthen our clients in all

of the basic social areas some of which include homeshetting, homemaking, physical health, mental health, school achievement, parental roles and employment.

As of this writing the department has collected under Liens and Recoveries the amount of \$14,843.07 for the year 1963.

The members of the Board of Public Welfare and Departmental Administrators thank all those who have contributed to the efficient operation of the department, especially those local residents who have contributed so generously and desire to remain anonymous. This cooperation is gratifying and makes a most difficult job easier to perform.

## Board of Assessors

EDWARD A. LAMORE, *Chairman*

ROBERT A. COBB, *Clerk*

EINO A. KIVI

	No. of Employees	Budget	Expenditures
1950	3 part time Assessors, 1 clerk	\$10,313.68	\$10,307.27

Rate of Taxation .....		\$74.00	\$71.00
Number of Motor Vehicles assessed .....	(estimated) 9000		8564

New legislation passed in 1963, granting partial relief from real estate taxes to certain persons over 70 years of age, will undoubtedly increase the 1964 tax rate. 1963 also saw the repeal of poll taxes, one of the oldest forms of taxation in the state.

Members attended their fifth year of the Annual Institute for Assessing at the University of Massachusetts in Amherst.

Regular meetings were held on Wednesday evenings during the year.

## Planning Board

LOUIS E. HOEGLER, JR., *Chairman*

WALTER C. ROCKWOOD, *Vice Chairman* THOMAS J. KENNEDY, *Secretary*  
JOHN A. COSMAN JOHN J. DUFFY

	No. of Employees	Budget	Expenditures
1950	1 part time	\$205.00	\$189.14
1960	1 part time	522.00	478.98
1962	1 part time	595.00	489.60
1963	1 part time	600.00	449.43

The Town Planning Board meets regularly on the first and third Tuesday of each month, and holds special meetings whenever necessary.

Several meetings were held during the year with Boards and Committees of the Town in connection with matters pertaining to town planning.

Public hearings were held concerning subdivisions, zoning changes and street acceptances.

Mr. Allen Benjamin, the Master Planner for the Town, completed his Summary Report of the Long Range Master Plan, and booklets are available free of charge at the Town Hall. The expense of updating the Master Plan was borne by the H. P. Kendall Master Plan Fund.

Again, the Planning Board strongly recommends the hiring of a planning engineer full time to work with the Town Engineering Department in matters relevant to town planning, and to facilitate the carrying out of the Master Plan recommendations. Mr. Benjamin has said that such an employee would be invaluable to the Town. The duties of Town Planning Boards have increased tremendously of late, and it is necessary that steps be taken to handle the increased demands properly, as action taken now could have a profound effect on the future of the Town.

Meetings of the Town Planning Board are open to the public, and the Board welcomes attendance of citizens at the meetings in order that the public may have a better understanding of the functions and duties of their Planning Board.

JAMES H. GINLEY

1909 - 1963

Tax Collector for 27 years, from 1936 to his untimely death, Sept. 19, 1963.

## Tax Collector

JAMES H. GINLEY — GERALD I. FLYNN

	No. of Employees	Budget	Expenditures
1950	2	\$5,715.25	\$5,696.33
1960	2	11,253.30	11,238.58
1962	2 and 1 part-time	12,734.04	12,728.19
1963	2 and 1 part-time	14,783.00	14,623.98

The Town suffered a deep loss when James H. Ginley passed away on September 19th. Mr. Ginley was elected to the office of Tax Collector for twenty-seven consecutive years, a tremendous tribute which showed the high esteem in which he was held by the townspeople.

Town Treasurer, Gerald I. Flynn, was appointed by the Board of Selectmen to fill out his unexpired term.

Walpole still continues to maintain one of the better tax collection records in the state and local taxpayers are to be congratulated for the prompt manner in which they pay their tax bills.

# Industrial Development Commission

JOE N. WELCH, *Chairman*  
JOHN A. COSMAN  
ALBERT W. DECKEL  
EDWARD J. HAWKINS

FRANKLIN B. HIGNETT, *Secretary*  
THEODORE R. HOWARD  
WILLIS D. MCLEAN  
GEORGE B. LYONS

PHILIP A. WILD

During this past year the Walpole Industrial Development Commission has prepared itself to wage an active campaign for new industry. To this end, brochures and letterheads for direct mail have been procured and plans for a regular program of selective mailings have been made. Your Commission during the year has become associated with the Greater Boston Chamber of Commerce in the interest of broadening its contacts.

Active cooperation with other committees of the town has been maintained during the year. Where the Master Plan has laid down guide lines for the Commission, these have been followed. A survey of each industrial or projected industrial section of the town has been made.

One area of special concern during the early months of the year was a study of the possible needs and uses for a regional vocational school and/or training school under the Federal Manpower Retraining Act. The Commission is still active on this in cooperation with the committee newly established for this express purpose. We feel that an adequate reservoir of trained labor is as much an asset as a desirable location, availability of industrially zoned land, or a favorable tax rate.

An application for a building permit has been filed for a new assembly plant to be located in the Walpole Industrial Park, construction is about to start on an industrial facility on Route 1 near Pine Street, and a new truck terminal has been built on Route 1 between Coney and Union Streets. Your Commission feels that all three of these are well located and are desirable additions to Walpole's industrial development.

We need to attract industry with the following characteristics:

1. It will contribute more in tax returns than it will cost the town in services.
2. It will not use an excessive amount of water.
3. It will create no undue traffic, odors, or other nuisances.
4. It will be within the framework of the Master Plan.

As stated above, some desirable new industry is coming to Walpole and your Commission believes that this progress will continue.

# Housing Authority

LEO F. TETREAULT, *Executive Director*

JOHN P. DOLAN, *Chairman*

ROBERT A. GAW, *Vice-Chairman*

DENIS F. O'BRIEN, *Treasurer*

ROBERT A. COBB, *Assistant Treasurer*

JAMES B. MAGUIRE

The Walpole Housing Authority met seventeen times during the year 1963.

Under the direction of the Housing Authority, twenty-three houses were painted. To keep up the appearances of the project, screens were replaced, window shades installed and the entrance was continuously checked to see that all debris was cleaned up around the bronze plaque.

The Walpole Housing Authority hopes to paint the remaining houses in 1964, as well as install aluminum combination doors and new kitchen and bathroom floors.

"Robinwood" consists of forty-five single family homes—twenty-two two bedroom units and twenty-three three bedroom units. The admission incomes and limits remained the same as in 1962. The average rent was approximately \$47.00. "Robinwood" was built under Chapter 200.

# Conservation Commission

GEORGE WIGNOT, *Chairman*

ANNE BIRD, *Secretary*

C. M. BOOTHBY

VERA DEROSA

BERNARD GOLDSMITH

AARON HILL

LUCY ELLEN HILL

EDWARD LAMOUREAUX, PHILIP S. TAYLOR, *Associate Members*

The cooperation of many town officials and committees, and the active interest of the townspeople of Walpole have contributed largely to the work of the Conservation Commission of 1963. The Board of Selectmen, Town Counsel, Town Administrator, Planning Board, Board of Appeals, Appropriations Committee, Assessors Office, Engineering Department, School Committee and School Sites Committee have all been of help. The Commission has consulted regularly with the Department of Natural Resources of the Commonwealth, as well as the Massachusetts Audubon Society and the local Soil Conservation District. Local organizations including the Walpole Sportsman's Association, the North Walpole Fish and Game Club, the League of Women Voters, and the newly formed Neponset Valley Trust have also assisted the Commission in its work.

In June 1963 the Town of Walpole received reimbursement from the State of Massachusetts in the sum of \$3750 for the purchase of Clark's Pond—a 50% reimbursement.

At a Special Town Meeting in October the Town appropriated a sum of \$23,200 for the purchase of the Verderber property at Cobb's Pond. Through the generosity of an anonymous donor in the amount of \$10,000 and the foresight of the 1963 Annual Town meeting when \$15,000 was appropriated to the Conservation Fund, this purchase was made possible. Preliminary application for reimbursement of the money appropriated by the Town has been made to the State and final application will be filed as soon as the title-search is completed and papers are passed.

General Laws Chapter 40, Section 8C which establishes Conservation Commissions states the purpose of a Commission: "for the promotion and development of the natural resources and for the protection of the watershed resources of said city or town." The Commission took an active part in the protection of the School Meadow Brook watershed and is seeking protection of the Traphole Brook watershed. The Commission is on the Advisory Committee of the Neponset River Wetlands Study being made by the Mass. Department of Natural Resources, and is represented on the Master Plan Committee of Walpole. Flood Plain Zoning is being studied, and it is hoped that in 1964 it will become an actuality in Walpole. Other areas of concern were natural areas adjacent to the schools to be used by classes in their science courses. Upon notification by the Board of Selectmen, we have checked town-owned tax-title land and advised as to its value for conservation purposes.

Members also attended two regional conferences sponsored by the Massachusetts Association of Conservation Commissions in Plymouth and Worcester. An exhibit in the Walpole Library, a Conservation News column in The Walpole Times, and a conservation program at a meeting of the Walpole Garden Club have comprised our efforts in the field of conservation education.

Meetings, open to the public, are held the second and fourth Tuesdays of the month at 7:30 p.m. in the Town Hall.

## Civil Defense

HENRY B. PIERCE, *Director*

I take this opportunity to thank my predecessor, Mr. Levi Salonen for his faithful service to Walpole Civil Defense.

Since my appointment in August, I have been striving to acquaint myself with the problems that befall a new Director.

The responsibilities of Civil Defense now rest with the Department of Defense, and the Walpole Civil Defense organization is currently being reorganized to fall in line with the concept of the "Federal Civil Defense Guide."

During 1963, various training courses have been attended by members of Walpole Civil Defense.

In addition, a group of explorer scouts from Walpole participated in a "light rescue" training weekend at the Mass. Civil Defense School in Topsfield.

Walpole Civil Defense has vacancies in many departments for volunteers, and any citizen desiring to serve his community is urged to contact the director or any member of the Walpole Civil Defense team.

NEW WING of the Boyden School in South Walpole shows in the foreground. The older section of the school is in the middle distance.

## School Department

LESTER J. TARBELL

BRUCE NORWELL (Appointed Nov., 1963)

JOHN F. POWERS, *Superintendent of Schools*

JOHN F. MCGOVERN, *Supervisor of Secondary Education*

Year	Teachers	Non-Teaching Positions	Appropriations	Actual Expenditures	Enrollment
1950	75	10	352,681.00	348,290.68	1,883
1960	145	34	1,128,909.00	1,114,397.00	3,247
1962	179	45	1,422,904.00	1,416,531.00	3,779
1963	193	53	1,636,931.00	1,635,787.00	4,029

## School Enrollment

Our schools opened in September with an increase of 252 pupils, again bearing out the prediction that our enrollment gain will continue at this rate for many years to come. A glance at the growth in the past few years will show why we have been building schools and why we must continue to add classrooms.

September, 1959 — 3,092 pupils enrolled  
September, 1960 — 3,247 pupils enrolled  
September, 1961 — 3,490 pupils enrolled  
September, 1962 — 3,779 pupils enrolled  
September, 1963 — 4,029 pupils enrolled  
September, 1964 — 4,275 pupils *expected*

The elementary classroom shortage was somewhat relieved this Fall with the opening of the Boyden School Addition. The new school is functional and a welcome addition to both the school system and to South Walpole. Nine of the twelve rooms were put into immediate use. At the same time, it is well to remember that there are three elementary classes in the Senior High and seven in the Junior High School.

With the opening of the new school on Old Post Road, we will be

**GOOD MORNING, TEACHER!** A few of the pupils at the Boyden School enter the new section of the building and are greeted by the principal, Miss Marion McCollum.

FIRST GRADE READING CLASS  
at the Boyden School addition.  
Teacher is Miss Judith Fredman.

CAFETERIA at the Boyden  
School addition.

NEW LIBRARY at the Boyden School. School Library Coordinator Mrs. Margaret Heaps is at the desk.

able to move all elementary classes from the Senior High and four of the seven elementary classes from the Junior High School.

The pinch at the elementary level will be felt again in 1965, and will be very evident in 1966. At the Senior High School, the need will be critical in 1966. If we had help by 1965 at the Senior High, our educational offerings to the children would not be affected by lack of space.

In 1956, as part of the "Master Plan" for the Town of Walpole, the Educational Associates contemplated an ultimate pattern of one three-year senior high school of about 1400 enrollment and two three-year junior high schools of about 1000 pupils each. In fact, it was the pre-determined need for an eventual second junior high school that dictated an off-center location for the first junior high school building.

Again in 1962, after reviewing enrollment statistics, Consultant Allen Benjamin stated that the earlier plan "is as sound today as ever, although enrollments may run still higher than contemplated (up to 2100 in the single senior high school and up to 1250 in each of the two junior high schools)."

Mr. Benjamin recommended construction of the "West Junior High" and simultaneously, a shift in the ninth grade from the Senior High School building to the Junior High School buildings.

The School Committee and the West Junior High Building Committee are in agreement that an 800-pupil Junior High School, expandable to 1000 or 1250 pupils, should be constructed immediately.

CHAMPIONS! Walpole's High School Hockey Team, winner of the Bay State League championship and Mass. Schoolboy Hockey Champions in 1963.

Senior High .....	.....	.....	1002

## Curriculum Development

### ART

A carefully prepared and attractive "Curriculum Guide for Art Education in the Walpole Schools" has been developed by Miss Marion O'Neil, Elementary Supervisor, and is now being used by our elementary teachers.

## MATHEMATICS

A group of elementary teachers is working with Mr. Graney and Mr. Varney investigating materials, methods, and texts to be used in our modern math program.

## LIBRARY

Our all-school library program has been given impetus with the opening of the Boyden School and its excellent library facilities. Mrs. Heaps, our Library Co-ordinator, is using this school as a pilot school in developing our procedures for teaching library skills to our younger children. Early attraction to good books, developing interest in reading, and skill in locating information are very much in evidence at the Boyden School.

We express our gratitude to the Boyden School Building Committee for the library facilities and the fine inventory of books. We also acknowledge the help that we have had from over twenty-five volunteer Boyden School Mothers on this project.

GRADUATION EXERCISES, class of 1963, on the lawn at Walpole High School, June 5, 1963. One hundred and forty-six seniors received their diplomas.

## Report of the Secondary Schools — 1963

At graduation on June 5, 1963, diplomas were presented to 146 graduates by Mr. Paul Bunker, Chairman of the Walpole School Committee.

Honor essays at graduation were presented by Cynthia Green, Joyce Perdue, Ronald Silvi, Susan Cox and Peter Forssell.

The following scholarship awards were presented at graduation:

Martha Metcalf Allen Scholarship: Joyce Perdue.

Walpole Teachers' Association Scholarships: Judith Philipp and Robert Nilson.

Norfolk County Trust—Dedham Trust Company Scholarship: Ronald Silvi.

Walpole Woodworkers' Company Self-Improvement Awards: David Dufresne and Margaret Bannon.

Walpole Women's Club Scholarship: Lois Mackie.

Walpole High School Parent-Teachers' Association Scholarships: Elizabeth Chambers and John K. Dillon.

Walpole Police Association Award: Robert Mitchell.

Walpole Businessmen's Association Award: Peter Forssell.

Walpole Mothers' Club Award: Donna Bliss.

Walpole Rotary Club Scholarship: Elizabeth McCarthy.

Fernandes Super Market's Scholarship: Raymond Kerr.

Walpole High School Student Council Scholarships: Robert Mitchell and Brian Walsh.

Norwood Business and Professional Women's Club Scholarship: Susan Cox.

Walpole Youth Center Scholarship: Terrence Hogan.

Walpole Post Veterans of Foreign Wars Scholarship: Richard Johnson.

### Statistics on the Class of 1963:

Of 146 students, 99 made application to future education. The Guidance Department processed 211 applications for an average of two applications for each student applying.

Of the 211 applications, 144 were accepted, or 68%. Better than one of every two applications were accepted.

Considering the total senior class, 99 students, or 67% of the class of 146, are planning on post-high school education. The remaining future plans are: Service, 3 percent; Work, 17 percent; Marriage, 1 percent; Undecided, 12 percent.

The following is a comparison of the class of 1962 with the class of 1963:

	1963	1962
Continuing Education .....	67%	60%
Armed Forces .....	3%	6%
Work .....	17%	22%
Marriage .....	1%	2%
Unsettled (waiting to hear, etc.) .....	12%	10%

Upon further investigation of the applications when considering geographical distribution, the following holds true:

	1963	1962
<i>Massachusetts</i>		
Applications .....	68%	66%
Acceptances .....	74%	70%
<i>Other New England States</i>		
Applications .....	17%	18%
Acceptances .....	12.5%	16%

### *Outside New England*

Applications .....	15%	16%
Acceptances .....	13.5%	14%

It is noted that the geographical distribution did not reflect any significant change, at least for the last two years. However, there was an upward swing in the number of people continuing their education. Forty-four percent of the 1963 graduating class will be going to four-year degree-granting schools as compared with 36% last year. The total continuing their education in the class of 1963 reflects an increase over last year from 60% to 67%. A minor drop in those entering the Armed Forces is also noted.

There were 76 students in the college-preparatory curriculum. Of this number, 65 were admitted to post-secondary educational institutions. The 11 students not continuing their education represents 14% of the senior college-preparatory class. Of the 11 students, 7 could be admitted to further education but have elected to enter the service or go directly to work.

Members of the Class of 1963 received acceptances from the following four-year degree-granting colleges and universities:

Bates College	Regis College
Bentley College of Accounting	Rensselaer Polytechnic Institute
Boston College	St. Lawrence University
Boston Conservatory of Music	St. Michael's College
Boston University	Salve Regina College
Bridgewater State College	Simmons College
Brown University	Stonehill College
Burdett College	Syracuse University
Clarkson College	Trinity College
Colby College	Tufts University
Dartmouth College	U. S. Military Academy
Framingham State College	University of Connecticut
Gordon College	University of Florida
Hartwick College	University of Maine
Hood College	University of Massachusetts
Lake Erie College	University of New Hampshire
Merrimack College	University of Rhode Island
Middlebury College	University of Rochester
Mills College	Virginia Polytechnic Institute
Mount St. Vincent College	Wellesley College
Nichols College	Westfield State College
Northeastern University	Williams College
Norwich University	Wittenberg University
Notre Dame University	Worcester Polytechnic Institute
Ohio Wesleyan University	

### **Curriculum Developments:**

New courses added this year were:

1. International Relations in Grade 12.
2. Physical Science Study Committee course in Physics.
3. Modern Mathematics in non-college curricula at the high school.
4. Spanish to selected groups in the Junior High School.
5. Problems of Democracy as a required social studies course in grade 12.
6. Advanced Chemistry.

Other curricular innovations which are being studied and for which faculty members are being prepared are:

1. Data processing fundamentals.
2. Biological Science Curriculum Study Course.
3. Electronics fundamentals.

### **Data Processing Services:**

The Univac data processing services were utilized this year in the preparation of individual and master programs and scheduling for pupils and teachers. The amazing low rate of eight schedule conflicts out of over 6000 pupil assignments indicated the efficiency and accuracy of this system. The extension of data processing services to attendance, report cards, analysis of test results, and permanent record information is being studied.

### **Instructional Materials:**

Pupils are being well-supplied with modern instructional materials. New textbooks were adopted this year in some courses in social studies, modern foreign language, science, home economics, and mathematics.

Audio-visual teaching aids, curricular reading lists and reference materials from the library, television programs, outside speakers, and exhibits have been used in the instructional program.

### **Leach Scholarship Awards**

On December 10, 1963 the Leach Scholarship Committee announced the fourth annual awards of tuition scholarships. The interest from this large fund will amount to \$9,454.06 this year.

The Leach Scholarship Committee awards scholarships to those students from Walpole High School who are enrolled at any non-sectarian university, college, or institute. The scholarships are to be as nearly as practical to the cost of the annual tuition, but not less than \$500.

The college students awarded scholarships this year are:

Dorothy J. Bering, attending Northeastern University  
Judith I. Coburn, attending Mt. Holyoke College  
Susan C. Cox, attending Simmons College  
Thomas E. Dunn, III, attending Brown University  
Kenneth Farris, attending Northeastern University  
Virginia Grant, attending Framingham State College  
Marjorie A. Light, attending Mt. Holyoke College  
Robert Nilson, attending Northeastern University  
Russell W. Olson, attending Bowdoin College  
Joyce Perdue, attending University of Massachusetts  
Marcia Peterson, attending Smith College  
Ruth Sullivan, attending Columbia University  
Philip L. Taylor, attending Harvard College  
Rosemary Wise, attending University of Massachusetts.

In all, forty-two applications for Leach scholarships were processed.

### Fales Scholarship Awards

The 1963 awards to graduates of Walpole High School, who are attending colleges, universities, or institutes are announced by the Fales Scholarship Committee, as follows:

Elizabeth A. Chambers, attending University of Massachusetts  
Mary Patricia Dale, attending Middlebury College  
Mary E. Jacobs, attending University of Vermont  
Donald W. Kemp, attending the University of Colorado  
Paul R. Procaccini, attending Boston College  
Thomas F. Riley, attending Georgetown University Law School  
Carol A. Sadaway, attending Regis College  
Suzanne W. Tourtellotte, attending Mass. Institute of Technology  
Ann Wisneski, attending Boston College.

The interest available for 1963 amounts to \$4,287.10 and will be distributed in awards of approximately \$476.34 each.

The total amount distributed through the years from interest earned by the \$100,000 Fales Fund now has reached \$120,282.41.

In all, fifty-five applications for Fales scholarships were processed.

## **Retired Personnel**

### **MISS MARGUERITE KENNEY**

#### **Walpole Teacher from 1922 to 1964**

It was with genuine regret that the Walpole School Committee received the resignation of Miss Kenney after forty-one years in the Walpole Public Schools. Her friendly smile will be missed at the Senior High School. All of her former pupils and associates join in wishing her many happy years in retirement.

# Age Grade Table — October 1, 1963

KUNAN, RICHARD, M.D.—*Bird, Fisher and Plimpton Schools*

#### CAFETERIA DEPARTMENT

HARTSHORN, DORIS, *Cafeteria Supervisor*

# Town Accountant

HENRY B. ADAMS, *Town Accountant*

*Government is a Trustee. It should render an account of its stewardship. It is not only responsible for honest expenditures of funds, but for intelligent expenditures and, for a wiser expenditure than if the funds were left in private hands.*

In compliance with Section 61 of Chapter 41 of the General Laws, I submit herewith the Annual Report of the Accounting Department for the year ending December 31, 1963.

The Accounting Department prescribes and operates a set of general accounts embracing all financial transactions of the town.

All bills, invoices and payrolls against the town are checked to determine regularity and legality before they are paid.

Monthly reports concerning receipts and expenditures of the town are prepared and a detailed annual financial report is prepared for public use.

	No. of Employees	Budget	Expenditures
1950	1	\$3,585.75	\$3,467.42
1960	1	5,671.00	5,657.02
1962	2	10,318.00	7,938.45
1963	2	11,525.00	11,519.51

## STATEMENT OF RECEIPTS, EXPENDITURES, DEBT AND EXCESS AND DEFICIENCY

Year	Receipts	Expenditures	Cash Balance Dec. 31	Debt Dec. 31	Excess and Deficiency
1959 .....	\$5,159,154.34	\$2,979,235.37	\$3,135,480.95	\$3,352,000.00	\$394,858.88
1960 .....	3,442,664.20	4,247,212.62	2,330,932.53	3,131,000.00	527,656.22
1961 .....	3,708,029.13	4,533,065.01	1,505,896.65	2,911,000.00	471,426.53
1962 .....	4,227,857.36	3,926,547.74	1,807,206.27	2,851,000.00	414,708.87
1963 .....	4,855,624.31	4,800,249.09	1,862,581.49	3,019,000.00	293,845.11

## STATEMENT OF RECEIPTS AND EXPENDITURES — 1963

Year	Cash Balance End of Month	Receipts	Expenditures	Cash Balance End of Month

## ABSTRACTS OF RECORDS OF TOWN MEETINGS

COMMONWEALTH OF MASSACHUSETTS

TOWN OF WALPOLE

ANNUAL TOWN MEETING ELECTION

January 21, 1963

Norfolk, ss.

Pursuant to the foregoing Warrant, at a legal meeting of the Inhabitants of Precinct 1, of the Town of Walpole, qualified to vote in Elections and Town Affairs, met in the Blackburn Memorial Building in said Walpole, on

MONDAY, THE TWENTY-FIRST DAY OF JANUARY, 1963

at 7:30 P.M. and the Inhabitants of Precinct 2, of said Town of Walpole qualified to vote in Elections and Town Affairs, met in the Bird School Auditorium in said Walpole, and the Inhabitants of Precinct 3, of said Town of Walpole, qualified to vote in Elections and Town Affairs, met in the Community House in South

Walpole, and the Inhabitants of Precinct 4, of said Town of Walpole, qualified to vote in Elections and Town Affairs, met in the new Fisher School in North Walpole, called for in said Warrant.

The meeting in Precinct 1 was called to order by Walter Rockwood, Jr., Warden of said Precinct, duly qualified for office. He was assisted by Daniel H. Delaney, Deputy Warden, and the following election officers, all duly qualified for office:

James Turco, Thomas C. Jackson, George Corbett, Vincent Fitzpatrick, William E. Smith, Sr., Christopher O'Neil, Nunzio Julius, Daniel Giandomenico, George Delaney, Frederick Platt, Arthur Frink, John Barbour, Julius Yankee, Charles Kemp, Raymond Procaccini, Norman Fowle, Marion Marston, Edith O'Neil, Jane Ahearn, Beatrice Kemp, Edward Hawkins, Margaret Jepson, Evelyn Pratt, Teresa Mattson, Emily Howe, Ahti Lans, and Marion Kambour.

The meeting in Precinct 2 was called to order by Edward J. Foley, Warden of said Precinct, duly qualified for office. He was assisted by the following, all duly qualified for office:

Stanley Benkavitch, Harold Pettis, Charles Makaravich, Samuel Kelley, John F. King, Ralph Bassey, Arthur Eames, Raymond White, Roger White, H. Bruce Everett, Samuel Hunter, Roscoe Bowden, Robert Allen, Robert Bullard, and Donald Cyr.

The meeting in Precinct 3 was called to order by Oliver P. Ceruti, Warden of said Precinct, duly qualified for office, assisted by the following qualified election officers:

Bruce Crocker, Franklin Fish, John Brooks, and Henry Murphy.

The meeting in Precinct 4 was called to order by Bruce Norwell, Warden of said Precinct and duly qualified for office, assisted by the following election officers, all duly qualified for office:

Joseph Pruell, Edward Buckley, George Corbett, Kurt Groote, Thomas Dickson, Louis Hoegler, Patricia Gaw, Margaret Buckley, and Robert Stewart.

Results determined in accordance with the provisions of the law, declaration thereof was made on open Town Meeting in the Town Clerk's office and was as follows:

James B. Maguire was declared elected to the Walpole Housing Authority for a term of five years and was sworn into office by John H. White, Town Clerk.

## ANNUAL TOWN MEETING

MONDAY, APRIL 1, 1963 AT 7:30 P.M.

A quorum being present, Moderator George F. Barr called the meeting to order. On a motion regularly made and seconded, it was voted to waive the reading of the Warrant.

The Moderator appointed Julius Yankee, Joe Welch, John Barbour and Douglas Sutcliffe as Tellers.

ARTICLE 1—VOTED: That Herbert Readell and Walter F. Meyer be appointed as Surveyors of Lumber and Measurers of Wood and Bark.

ARTICLE 2—VOTED: That the report of the Junior High School Committee be accepted, and the Committee discharged with thanks.

### REPORT OF JUNIOR HIGH SCHOOL COMMITTEE

In September, 1961 the East Junior High School building was occupied and operated on a full time basis by the School Department. Since that time the playing fields have been completed and some minor equipment installed. Your committee feels that you are entitled to a report on the total cost of the building which follows:

Total funds from all sources .....	\$1,992.200
Building cost .....	\$1,516,652.84
Architects' fees .....	139,438.47
Equipment .....	124,944.64
Site work .....	22,993.05
Insurance .....	3,582.00
Advertising .....	179.50
Miscellaneous Costs .....	11,494.58
<hr/>	
Total Cost .....	\$1,819,285.08
Unexpended balance .....	\$152,714.92
Transferred to Boyden School Account in 1962 Annual Town Meeting .....	\$100,000.00
Available for transfer .....	\$52,714.92
Cost per pupil (900 pupils) .....	\$2,091.43/pupil

The East Junior High Building Committee wishes to express its thanks to all of the townspeople for their encouragement, criticisms, advice and for the most part, expressions of appreciation for the job we have tried to do.

The following report of the Town Cemetery Committee was accepted as a report of progress.

### TOWN CEMETERY COMMITTEE INTERIM REPORT

This Committee's first report was in the form of two articles in the 1962 Town Meeting Warrant asking that the Town receive all real estate and all funds of the Maple Grove and Rural Cemeteries to be held and managed by the Town for Cemetery purposes subject to authorization by the General Court (Legislature) of the State and approval by Court decree for the transfer of funds. These articles were approved by the Town Meeting and your committee now presents an interim report on progress to date. The legislation required by law has been passed by the House of Representatives and is now awaiting its third reading by the Senate. We understand that passage in the Senate and signing by the Governor should be within the next two weeks at most and then the final step of Court approval may be a matter of a few weeks or perhaps months depending on the Court Calendar.

Before the end of this year we hope and expect to complete these steps and be able to present to the Selectmen all the necessary information for them to assume control over the two cemeteries, and to the Town Commissioners of Trust Funds all financial records and funds.

EDWARD J. HAWKINS, *Chairman*  
C. EUGENE HARTSHORN  
PARKER N. CHICK  
HAROLD B. BROWN  
ROBERT B. BOYD, JR.

The chairman of the appropriation committee, Joseph L. Wissman, addressed the meeting and requested favorable consideration of their recommendations in the knowledge that they have been made with extensive and serious deliberation.

#### COMMITTEE FOR ADDITION TO THE BOYDEN SCHOOL

The following report by the Committee for Addition to the Boyden School was accepted as a report of progress.

The Committee for the addition to the Boyden School, in reporting its progress to date, is pleased to report that construction is progressing well within the scheduled time allotted, and also at a cost within the original estimates. The Committee, when issuing its original plan for a bid, received a quotation which amounted to a total building cost of \$665,560.00. The Committee felt that not only was this cost unusually high, but that the bid should be refused. A complete review and analysis of the original estimate was made in an attempt to procure a satisfactory educational plant at a cost within the original estimate.

In reviewing the bids, along with estimates and data accumulated as a result of this first bid, the Committee found that some of the costs had been increased by the necessity of moving a "Right of Way" of revised site work, and the need to fence in a larger area of school property. The Committee subsequently found that considerable savings could be made by incorporating the physical education room with the proposed cafeteria-auditorium complex. The existing extra room in the old Boyden School could be used for physical education, and it was felt that such a complex would not hamper the teaching program.

By using a peripheral drain we were able to lower the water table, allowing the Committee to lower the building 8" and save considerable on the grading and fill required, which was previously considered impracticable. Expensive items were substituted in some areas for more practical, economic, and easily maintained materials, which should prove entirely satisfactory in the overall plans of the building. A major saving was made by changing the kitchen equipment to gas fired, and converting some stainless appliances to standard cast iron equipment. Hot water was eliminated from some of the class rooms in an attempt to minimize the plumbing cost, and some hot top area was diminished to a size considered practical for safe driving and parking areas.

The Committee went out for bid again with the revised plans, and was successful in receiving bids which, in essence, totaled \$539,180.62. In determining the qualifications of the prime contractor and checking some of his past buildings, the Committee was extremely pleased with the low bidder and his statements that he would promise to have the school available for occupancy in September, 1963. It was further felt that the cost (\$539,180.62) would provide an educational plant in keeping with the standards normally maintained in Walpole, and well within the original estimate of the Committee.

The building will be a desirable addition to the Town of Walpole, will be in harmony with the existing structure, and will require a minimum of maintenance.

Throughout the winter the work has progressed at a reasonable rate, consider-

ing the weather conditions, and as of this date, resulting in the complete foundation, some brickwork, the presence on the job site of a large portion of the material required for further progress. The Committee has every expectation of completing the building on schedule, and would like to remind the Town of Walpole that Article 27 of this year's Warrant requires only those monies that are necessary to completely furnish and equip this new school.

PAUL BUNKER  
JAMES GIAMMARCO, JR.  
FRANK REYNOLDS  
HOWARD SCOTT  
ROGER A. IVES, *Chairman*  
JOHN POWERS, *Ex-Officio*

On motion of Roger F. Turner—It was moved and seconded: That a committee be appointed pursuant to the following to be known as a Redevelopment Authority.

"That there is a need for a re-development authority in the Town of Walpole for the purpose of engaging in urban renewal and land assembly and re-development projects, and that it is in the public interest that such an authority be organized in the Town, that the Board of Selectmen of the Town, subject to the approval of the Town Moderator, appoint forthwith four members of such authority to serve until the qualification of their successors who shall be elected at the next annual town meeting and one member, pursuant to G.L.C. 121, Sec. 26QQ, shall be appointed by the Housing Board."

Action was deferred to a later date, before adjournment of this meeting.

VOTED: That the moderator is instructed to dismiss the committee of five, called for by the Town Meeting of March 28, 1960, and created for the purpose of reviewing the Town Charter and By-Laws.

VOTED: That the moderator appoint a committee of five, one of whom shall be a member of the Board of Selectmen, for the purpose of reviewing the Town Charter and By-Laws and to make such recommendations for changes as they see fit at the next annual Town Meeting.

ARTICLE 3—VOTED: That the Town shall and hereby does authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year, beginning January 1, 1963, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, of the General Laws (Ter. Ed.)

ARTICLE 4—VOTED: That the Town shall and hereby does petition the Director of Accounts, Department of Corporations and Taxation, Commonwealth of Massachusetts, for an audit of the Town's accounts, in accordance with Section 35, Chapter 44, of the General Laws (Ter. Ed.).

ARTICLE 5—VOTED: That the Town shall and hereby does authorize the Collector in collecting taxes to use all means which the Treasurer may use when appointed Collector.

ARTICLE 6—VOTED: That the Town shall and hereby does authorize the Collector in collecting water rates and service bills to follow the rules and regulations of the Water Department.

ARTICLE 7—VOTED: That the Town shall and hereby does authorize the Collector in collecting sewer assessments to follow the rules and regulations of the Sewer Department.

ARTICLE 8—VOTED: That the Town shall and hereby does authorize the Selectmen to sell any and all property now owned by the Town, or to be acquired, as a result of foreclosing rights of redemption in said property.

VOTED unanimously: That the recommendations of the Appropriation Committee be considered as motions.

ARTICLE 9—VOTED: That the Town instruct the Selectmen to provide Workman's Compensation under the Workman's Compensation Act for its laborers, workmen and mechanics, including all employees of the Town regardless of the nature of their duties, receiving injuries out of and in the course of their employment or in case of death resulting from such injuries and that the Town raise and appropriate the sum of Twelve Thousand Five Hundred Dollars (\$12,500.00) therefor.

VOTED: That all items in the Budget with the exception of the motions which are held for discussion be accepted as presented.

ARTICLES 10 and 11—The following appropriations were voted:

--	-----------

The Moderator asked that all articles not having been previously *Held* be accepted as presented. It was so VOTED.

Reconsideration of Articles 10 and 11 was asked. The Moderator refused to allow motion for reconsideration.

ARTICLE 12—VOTED: That the Town raise and appropriate the sum of Forty-One Thousand Five Hundred Two and 19/100 Dollars (\$41,502.19) to pay its proportionate share of the Contributory Retirement System for the year 1963.

ARTICLE 13. It was *Moved and Seconded*: That the Town Raise and appropriate the sum of Seven Hundred Fifty Dollars (\$750.00) for Memorial Day

exercises, including the decoration of graves of all soldiers and sailors of Walpole, said sum of money to be expended under the direction of a committee of Veterans appointed by the Selectmen.

Harold B. Brown offered the following amendment: That Article 13 be amended to read—\$850.00 This was defeated. The original motion was then presented and VOTED.

ARTICLE 14—VOTED: That the Town raise and appropriate the sum of Seven Thousand (\$7,000.00) for the employment of a District Nurse or Nurses.

ARTICLE 15—VOTED: That the Town raise and appropriate the sum of Two Thousand Nine Hundred Twenty-Five Dollars (\$2,925.00) for the Dental Clinics in the Schools of Walpole:

Salary .....	\$2,500.00
Expenses .....	425.00
Total .....	<u>\$2,925.00</u>

ARTICLE 16—VOTED: That the Town instruct the Selectmen to make a minimum charge of One Dollar (\$1.00) for water in Francis William Park, a public park in East Walpole during the year 1962 and raise and appropriate the sum of One Thousand One Hundred Fifty-Nine Dollars (\$1,159.00) to pay the difference between said minimum charge of one Dollar (\$1.00) and the bill rendered by the Water Department for the year 1962 to Francis William Park.

ARTICLE 17—VOTED: That the Town transfer from the Excess and Deficiency Account the sum of One Thousand Eight Hundred Dollars (\$1,800.00) to meet the Town's share of the cost of Highway Maintenance of Chapter 90 Roads in Walpole, and in addition the sum of Three Thousand Six Hundred Dollars (\$3,600.00) be transferred from the Excess and Deficiency Account to meet the State and County's share of the cost of the work, the reimbursement from the State and County to be restored to the Excess and Deficiency Account upon receipt.

ARTICLE 18—VOTED: That the Town raise and appropriate for the Water Department by transfer from the Water Available Surplus Account the sum of One Hundred Twenty-Four Thousand Eight Hundred Seventy-Three Dollars (\$124,873.00) in accordance with the provisions of Chapter 396 of the Acts of 1928, divided as follows:

Administration .....	\$7,500.00
Labor and Salary .....	60,865.00
Expenses .....	56,508.00
Total .....	<u>\$124,873.00</u>

ARTICLE 19—VOTED: That the Town raise and appropriate by transfer from the receipts of the Sewer Department to the Sewer Department for administration, maintenance, sewer connections, retirement of all bonds, notes and interest payable in 1963 the sum of Six Thousand Seven Hundred Ten and 75/100 Dollars (\$6,710.75) divided as follows:

Administration .....	\$700.00
Maintenance .....	5,952.00
Interest .....	78.75
Total .....	<u>\$6,710.75</u>

ARTICLE 20—VOTED: That the Town raise and appropriate the sum of One Thousand Two Hundred One and 09/100 Dollars (\$1,201.09) to be added to

the amount of Seven Hundred Forty-Eight and 91/100 Dollars (\$748.91) carried over from the 1962 account for Civilian Defense to be expended as follows:

Clerical Services .....	\$400.00
Expenses .....	1,550.00
Total .....	\$1,950.00

ARTICLE 21—VOTED: That the Town raise and appropriate the sum of Four Hundred Dollars (\$400.00) for the purpose of providing Christmas Lighting Display in various sections of the Town, said money to be expended as the Town's contribution to the Walpole Business Men's Association Christmas Lighting Program.

ARTICLE 22—VOTED: That the Town raise and appropriate the sum of Seven Hundred Fifty Dollars (\$750.00) for a "Night Before the Fourth" celebration under the auspices of the Walpole Fire Department.

ARTICLE 23—Action will be taken at the Special Town Meeting, Wednesday, April 10, 1963.

ARTICLE 24—It was Moved and Seconded: That the Town raise and appropriate the sum of the Fourteen Thousand Five Hundred Dollars (\$14,500.00) to cover the expenses of physical training, athletics, equipment and transportation of teams for the Junior and Senior High Schools as defined and specified in Chapter 71 of the General Laws of the Commonwealth of Massachusetts and Chapter 685 of the Acts of 1950.

On Substitute Motion by Joseph L. Wissman, Chairman of the Appropriation Committee: VOTED: That \$15,000 be appropriated to cover the expenses of physical training, athletics, equipment and transportation of teams for the Junior and Senior High School.

ARTICLE 25—To see if the Town will vote to raise a sum of money for the construction of tennis courts at the High School. (Petition of the School Committee).

The Appropriation Committee recommended that no action be taken at this meeting.

Paul C. Bunker, Chairman of the School Committee, offered the following Substitute Motion:

That no monies be appropriated, but that the Town Administrator take whatever steps possible to do preliminary work in preparing the land for tennis courts at the Senior High School.

The Moderator ruled this motion out of order.

ARTICLE 26—Thomas E. Dunn, Jr., Chairman of the Old Post Road Elementary School Committee offered the following Report of Progress:

**REPORT TO THE TOWN OF WALPOLE BY THE  
EAST WALPOLE ELEMENTARY SCHOOL BUILDING COMMITTEE**

**1. SUMMARY**

Your Committee recommends that the Town build a 12 room elementary school on the plot of land owned by the town, fronting approximately 400-feet on Old Post Road and extending to a depth of 1300-feet towards Washington Street.

The estimated costs of this proposed school are as follows:

a. General Contract .....	\$422,450.00
b. Architect's Fees .....	47,600.00

c. Equipment .....	77,350.00
d. Site Development .....	35,700.00
e. Clerk-of-the-Works, Miscellaneous .....	11,900.00
Total Estimated Cost .....	\$595,000.00

## 2. REQUIREMENT FOR ADDITIONAL ELEMENTARY FACILITIES IN EAST WALPOLE

The requirement for additional facilities for elementary pupils has been recognized in the long range plan (the Master Study Plan) of the Town of Walpole and the independent surveys made by Mr. Marshall for the East Junior High School and by Mr. Benjamin in August, 1962.

Presently there are approximately 700 elementary pupils in the East Walpole area housed in 16 rooms at the Bird Elementary School and 7 rooms of the East Junior High School. In 1964, it is anticipated that four of the rooms in the Junior High School will be required for secondary students and the remaining three will be required in October of 1965. This will leave only the 16 room Bird School available for an estimated 720 pupils in 1964, and 750 pupils in 1965. Based on a maximum of 30 pupils per room, and by optimizing each class in each grade, the requirement would be for a total of 24 rooms in 1964 and 25 rooms in 1965. With the proposed school, the East Walpole area will be provided with 28 class rooms. The apparent excess of 4 and 3 rooms will allow for smaller classes, 25 to 28 per class, and if our present rate of growth continues, for additional pupils by maximum space utilization.

## 3. THE LOCATION

The proposed school will be on Old Post Road approximately one-half mile from High Plain Street. This location is almost identical with the one suggested in the Master Study Plan. This site is central to the population density of the area to be served by this school, and therefore, will allow this to be a "walking distance school." The main entrance of the school will be on Old Post Road with walking or bicycle paths to be provided from Ponderosa Lane at the rear of the building site.

## 4. EDUCATIONAL FACILITIES

The educational specifications which are a matching of curricula requirements to space requirements, were developed by the Superintendent of Schools with the collaboration of the School Building Committee. In summary, the requirements are as follows:

1. Twelve elementary classrooms. The four primary rooms are provided with adjoining toilet facilities for each two rooms for the young pupils. One primary room is larger than the other three for possible conversion to kindergarten use.

2. A combined auditorium and cafeteria with kitchen facilities for hot lunch preparation. The auditorium will be equipped for use for group teaching or team teaching.

3. A gymnasium.

4. A library with provisions for storage for audio-visual equipment and material.

5. Administrative and health units.

6. Playgrounds. Primary class playground will be to the front of the building enclosed by fencing. Playgrounds for the older children will be in the rear of the site with provisions for a softball diamond. A portion of the parking area will be chained off during school hours to provide a hard top playground for such games as basketball, or when need precludes use of the other play areas.

## 5. TYPE OF CONSTRUCTION

Your committee is proposing a one story structure as the most economical to

build and the one most suited for the site. We have interviewed architects and consulted with members of the Town administration, the permanent building committee and members of other school building committees to determine the "pros and cons" that they had encountered in the construction and maintenance of school buildings. We have transmitted these ideas to the architect chosen by the committee and we believe that he has designed an educationally sound, economical and esthetic building for its use and surroundings, as may be seen from the illustration of the Phase A drawings. Basic construction to be used is as follows:

1. Foundation—reinforced cement.
2. Exterior walls—Brick, aluminum window walls with insulating sandwich panel.
3. Interior walls—Painted cinder block, glazed brick or tile to be used in areas of hard service.
4. Frame—Bearing masonry walls, rolled structural steel sections, with structural acoustical deck on sub-purlin system.
5. Roof—Pitched, asphalt shingles.

#### 6. GENERAL COMMENTS

Your committee has carried out its work through Phase A, that is the necessary meetings with the State School Assistance Board, the selection of an architect, the preparation of preliminary drawings and specific actions, and the determination of an estimated budget.

The committee would like to express at this time its appreciation for the time and advice of the Town Administrator, the Chief of Police, members of the School Committee, the Chairman of the Site Committee and the East Junior High School Building Committee and others in discussing the building and educational needs best suited to the Town of Walpole.

We also must express our appreciation to the Superintendent of Schools for his investigation and preparation of the educational specifications and to all members of his staff who provided us with needed information.

The architectural firm engaged by your committee is Haynes, Lianeck and Smith.

THOMAS E. DUNN, JR., *Chairman*  
CHARLES MCCARTHY, *Secretary*  
ANN CLAPP  
WINSLOW WARREN  
GORDON WOODBERRY

VOTED: To construct and equip a 12-room Old Post Road Elementary School in accordance with plans and sketches of Hayes, Lianeck and Smith Inc., Fitchburg, Mass., January 18, 1963, and raise and appropriate the sum of Five Hundred Eighty-Five Thousand Dollars (\$585,000.00) in the following manner:

Sixty-Six Thousand Seven Hundred and Seventy-Four Dollars (\$66,774.00) by transfer from the Excess and Deficiency Fund; Thirteen Thousand Five Hundred Thirty-Four and 30/100 Dollars (\$13,534.30) from the "Construction East Junior High School Account"; One Hundred Four Thousand Six Hundred Ninety-One and 70/100 Dollars (\$104,691.70) from the 1963 Tax Levy, and that the Treasurer, with the approval of the Board of Selectmen is hereby authorized to borrow the sum of Four Hundred Thousand Dollars (\$400,000.00) and to issue and sell at one time, or from time to time, bonds or notes of the Town thereof, to be redeemed by the Town in a period of not longer than fifteen (15) years in accordance with the provisions of Section 7 of Chapter 44 of the General Laws of the Commonwealth; and

To authorize and direct the Board of Selectmen, said Old Post Road Elementary School Committee and/or the Treasurer to take all necessary action and to execute on behalf of the Town all necessary documents to obtain the maximum financial grant or assistance from the United States of America or the Commonwealth of Massachusetts, or both, for said original construction of said Old Post Road School.

ARTICLE 27—VOTED: That the Town raise and appropriate the sum of Thirty-Nine Thousand One Hundred Eighty and 62/100 Dollars (\$39,180.62) by transfer from the "Construction East Junior High School Account" to complete the construction of the addition to the Boyden School, on Washington Street, on property owned by the Town, including alterations to the existing structure.

ARTICLE 28—VOTED: That the Town raise and appropriate the sum of Nineteen Thousand Five Hundred Dollars (\$19,500.00) in the following manner by transfers from:

Article 41 Town Meeting 1953, One Thousand Four Hundred Sixty-Five and 90/100 Dollars (\$1,465.90);

Article 39 Town Meeting 1957, Three Thousand Two Hundred Eighty-Five and 42/100 Dollars (\$3,285.42);

Article 41 Town Meeting 1960, One Thousand Two Hundred Twenty-Five and 58/100 Dollars (\$1,225.58);

Article 31 Town Meeting 1958, Three Hundred Twenty-One Dollars (\$321.00);

Article 48 Town Meeting 1960, Four Thousand Ninety-Nine and 46/100

Article 56 Town Meeting 1962 Nine and 28/100 Dollars (\$9.28);

Article 4 Special Town Meeting 1961, One Thousand Fifty-Two and 90/100 Dollars (\$1,052.90);

Article 25 Town Meeting 1961, Two Thousand Eight Hundred Fifty-Seven and 37/100 Dollars (\$2,857.37);

Article 49 Town Meeting 1959, Two Thousand Seven Hundred Eighty-One and 34/100 Dollars (\$2,781.34);

The Sewer Assessment Fund the sum of Two Thousand Four Hundred One and 75/100 Dollars (\$2,401.75);

to purchase the following equipment for the Public Works Department;

A Sand and Chemical Spreader .....	\$3,000.00
A Tractor Loader, with permission to trade a 1951 Grader .....	13,000.00
A Tractor, with permission to trade a 1956 Tractor .....	3,500.00
Total .....	<hr/> \$19,500.00

ARTICLE 29—VOTED: That the Town raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) for the purchase of two Police Cars, for the Police Department, with permission to trade two one year old 1963 cars.

ARTICLE 30—VOTED: That the Town raise and appropriate by transfer from Excess and Deficiency Account the sum of Twenty-Two Thousand Dollars (\$22,000.00) to purchase an engine and rescue truck for the Fire Department, with permission to trade a 1923 pumper and a 1926 pumper.

ARTICLE 31—To see if the Town will vote to raise a sum of money to provide fall out shelters in Town-owned properties. VOTED: No action.

ARTICLE 32—VOTED: That the Town raise and appropriate by transfer from the Overlay Reserve the sum of Twenty-Five Thousand Dollars (\$25,000.00) to renovate the heating and ventilating system at the Plimpton School.

ARTICLE 33—To see if the Town will authorize the Library Trustees to execute a lease for property in South Walpole for branch library use. (Petition of Library Trustees). VOTED: No action.

ARTICLE 34—VOTED: That the Town raise and appropriate the sum of Two Hundred Dollars (\$200.00) to purchase a tract of land at the intersection of Joal Avenue and High Streets, founded and described as follows: Northerly by High Street 58.50 feet; southerly by land of Honohan Bros., Inc., and a private way known as Gay Street 53.05 feet; southwesterly by Joal Avenue 53.35 feet; as shown on a plan entitled "Plan of Land in Walpole, Massachusetts, R. G. Loring, Registered Surveyor" and dated December 7, 1962.

ARTICLE 35—To see if the Town will vote to raise a sum of money to conduct a training program for the mentally and physically handicapped. VOTED: No action.

ARTICLE 36—VOTED: That the Town authorize the Selectmen to obtain a lease from Irving M. Joyce for the present Town Dump Site and that the Town raise and appropriate the sum of One Dollar (\$1.00) for this purpose.

ARTICLE 37—To see if the Town will vote to raise a sum of money to pay its share of an engineering study for a regional incinerator. VOTED: No action.

ARTICLE 38—VOTED: That the Town raise and appropriate by transfer from the Water Available Surplus Account the sum of Twenty-Three Thousand Dollars (\$23,000.00) for improvements to the Water Distributing and Supply System as follows:

- |   |             |
|---|-------------|
| 1. Alternate electric source at Washington Street Station             |             |
| 2. Clean well field and gathering system at Washington Street Station |             |
| 3. Install mains in Route 1 to complete loops.                        |             |
| Total .....   | \$23,000.00 |

ARTICLE 39—To see if the Town will vote to accept Chapter 409 of the Acts of 1962, the so-called Pedestrian Control Law. VOTED: No action.

ARTICLE 40—VOTED: That the Town raise and appropriate the sum of Six Thousand Dollars (\$6,000.00) to install traffic signals at Washington and High Plain Streets.

ARTICLE 41—VOTED: That the Town raise and appropriate by transfer from the Sewer Assessment Fund the sum of Twenty-Four Thousand Dollars (\$24,000.00) to install a sewer and drain in Hoover Road from the end of the 1962 project to Main Street, and in Coolidge Street and Allen Road or any part thereof.

ARTICLE 42—VOTED: That the Town raise and appropriate by transfer from the Excess and Deficiency Account the sum of One Hundred Thousand Dollars (\$100,000.00) to engineer and install a sewer from 393 High Plain Street to Old Post Road, and in Old Post Road from High Plain Street to the existing sewer in Pleasant Street.

ARTICLE 43—To see if the Town will vote to raise a sum of money to engineer and install a lateral sewer in Moose Hill Road from the easterly end of Grant Avenue to the westerly end of Woodland Road. (Petition of Daniel F. Coughlin and others). VOTED: No action.

ARTICLE 44—To see if the Town will vote to raise a sum of money to install a sewer from the end of the existing sewer in Ponderosa Road southeasterly to the school property. VOTED: No action.

ARTICLE 45—To see if the Town will vote to raise a sum of money to install a sewer in Carpenter Road from the end of the 1962 project to Bonnie Road and in Bonnie Road to Washington Street. (Petition of J. S. Hermistone and others). VOTED: No action.

ARTICLE 46—To see if the Town will vote to raise a sum of money to:

1. Replace the Pickerel Brook culvert at Union Street with an adequate bridge to permit the free passage downstream of drainage from the Old Post Road and other areas during flood.

2. Replace the Pickerel Brook culvert running easterly from Francis William Bird Park, 500 feet more or less, by installation of bridges and/or open brook and/or a culvert not to exceed seven feet in diameter, to permit the free passage downstream of drainage from the Old Post Road and other areas during flood.

3. Install adequate surface drains on the Old Post Road from Polly Lane to High Plain Street.

4. Permanently pave the Old Post Road from Polly Lane to High Plain Street. (Petition of Charles P. LaCivita and others). VOTED: No action.

ARTICLE 47—To see if the Town will vote to raise a sum of money to provide surface drainage and pave Old Post Road from Polley Lane to High Plain Street (Petition of James W. Jackson, Jr., and others). VOTED: No action.

ARTICLE 48—VOTED: That the Town raise and appropriate the sum of Three Hundred and Seventy-Five Dollars (\$375.00) to drain the low area between East Street and Glenwood Avenue.

ARTICLE 49—To see if the Town will vote to raise a sum of money to install drainage in the following streets: Oak Street, West Street and Eleanor Road. VOTED: No action.

ARTICLE 50—To see if the Town will vote to raise a sum of money to replace the drain from Washington Street in East Walpole to Francis William Park. VOTED: No action.

ARTICLE 51—VOTED: That the Town raise and appropriate by transfer from Excess and Deficiency Account the sum of Thirty-Five Thousand Dollars (\$35,000.00) and transfer from the Chapter 782 Highway Bond Issue Account the sum of Twenty-Seven Thousand Nine Hundred and Eighty-Nine and 05/100 Dollars (\$27,989.05) to rebuild Fisher Street from Main Street to North Street, or any part thereof, said appropriation to be used in conjunction with any State or County Funds made available.

ARTICLE 52—VOTED: That the Town raise and appropriate by transfer from the Overlay Reserve Fund the sum of Two Thousand Nine Hundred Dollars (\$2,900.00) to remove hazardous curves and widen narrow portions of High Street, from the beginning of High Street to the Medfield Line, or any part thereof.

ARTICLE 53—To see if the Town will vote to raise a sum of money to reconstruct the sidewalks on Main Street in Walpole Center. VOTED: No action.

ARTICLE 54—To see if the Town will vote to raise a sum of money to install a sidewalk on Fisher Street, from Main Street to number 343 Fisher. (Petition of George Wignot and others). VOTED: No action.

ARTICLE 55—To see if the Town will vote to raise a sum of money to repair approximately 940 feet of Davis Street under the provisions of Chapter 195 of the Acts of 1958. (Petition of Mrs. Burton Peavey and others). VOTED: No action.

ARTICLE 56—To see if the Town will vote to raise a sum of money to construct a swimming pool in North Walpole. (Petition of Mary K. Avery and others). VOTED: No action.

ARTICLE 57—To see if the Town will vote to accept the provisions of Chapter 147, Section 32 to 47 inclusive (licensed boxing exhibitions). (Petition of Mrs. Doris Sanzi and others). VOTED: No action.

ARTICLE 58—It was Moved and Seconded: That the Town raise and appropriate the sum of Three Hundred Dollars (\$300.00) for the Conservation Commission. (Petition of Conservation Commission). On a Substitute Motion offered by the Appropriation Committee: It was VOTED: That the Town raise and appropriate the sum of \$300.00 for the Conservation Commission expenses and \$15,000.00 for the Conservation Fund.

ARTICLE 59—To see if the Town will vote to expend a sum of money from the Conservation Fund, under Clause 51 of Section Five of Chapter 40 of the General Laws, for purposes authorized by Section 8C of said Chapter 40, and for the purchase of land. (Petition of Conservation Commission). VOTED: No action.

VOTED: That the meeting be adjourned until Monday, April 8, 1963 at 7:30 P.M. in the Walpole High School Auditorium.

---

#### ADJOURNED ANNUAL TOWN MEETING

MONDAY, APRIL 8, 1963 AT 7:30 P.M.

A quorum being present, the Moderator called the meeting to order.

ARTICLE 1—The Moderator appointed John Barbour, Julius Yankee, Chris O'Neil and Jesse Jeffery as Tellers.

ARTICLE 60—To see if the Town will vote to change the zoning of the Town of Walpole as follows: From "Rural" District to "Limited Manufacturing" District, a parcel of land owned by the Estate of Alonzo J. Shadman, described as follows:

The land in Walpole, Massachusetts, situated on the southerly side of U. S. Route 1, being bounded: Northerly by said U. S. Route 1, twelve hundred twenty-five and 00/100 (1225.00) feet; westerly by various courses and by land now or formerly of Edith Roberts and land now or formerly of Pasquale DeCristofaro and by Pine Street, nine hundred and 00/100 (900.00) feet; southerly by land now or formerly of Parker Perry, nine hundred eighty-seven and 12/100 (987.12) feet; easterly by other land now or formerly of said Parker D. Perry, et ux, five hundred thirty-one and 54/100 (531.54) feet; and again easterly by other land of the said Alonzo J. Shadman, in the Town of Sharon and by the Town Line of the Town of Sharon and the Town of Walpole, fourteen hundred and thirty-eight and 00/100 (1438.00) feet. All of said dimensions being more or less, in all comprising thirty and 57/100 (30.57) acres more or less, being shown on Plan of Lands in Sharon and Walpole, Mass., Rowland H. Barnes & Co., Civil Engineers, dated January 1949 and recorded with Norfolk Deeds.

Louis E. Hoegler of the Town Planning Board offered the following motion: That the Town vote to change the property described in Article 60 from Rural to Limited Manufacturing.

It was then moved to amend Article 60 by excluding from the land area as defined therein that portion thereof, comprising approximately 8 acres which lies South and East of the middle line of a flowing brook and ponds as they presently exist on said land, thus leaving approximately 22.5 acres to be rezoned under the terms of the original Article 60 from Rural District to Limited Manufacturing District.

This amendment, approved by Town Counsel and the Planning Board, was then adopted unanimously.

Roger F. Turner moved that Article 60 as amended be laid on the table for further consideration. On a voice vote this motion was defeated.

The declaration of the vote by the Moderator was disputed. The Moderator then called for a standing vote with the following result: Yes, 137; No, 112. This was not a required 2/3 majority so the motion to table was defeated.

The original motion as amended was VOTED: Yes, 214; No, 39.

The following letter was read to the meeting by the attorney for the petitioner, John E. Herlihy:

"JOHN E. HERLIHY  
Attorney at Law  
1002 Main Street  
Walpole, Massachusetts

April 5, 1963

Raymond H. Beaudet, Jr., Chairman  
The Walpole Conservation Committee  
944 Main Street  
Walpole, Mass.

Dear Sir:

The Executors of the Estate of Alonzo J. Shadman have requested that I inform you of their intentions in respect to the preservation of the water flowage in School Meadow Brook.

It is the intention of the Estate to refrain from erecting any building or structure within 100 feet of either side of the thread of said brook, which is located on the Southerly side of Route #1, from said Route #1 to the pond as shown on a Plan of Land dated January 1949, Roland H. Barnes & Co., C. E., said plan being recorded in Norfolk Deeds as Plan 79 of 1959, Plan Book 206.

Further, it is the intention of the Estate to refrain from putting any roadway within 50 feet on either side of the thread of said brook from Route #1 to the pond as shown on said plan.

The Estate will, however, want to maintain the right to span the brook with access means suitable for foot or automotive traffic extending from their land in Sharon to their land in Walpole on the Southerly side of Route #1.

Upon the rezoning to limited manufacturing of land as defined in Article 60 of the Warrant, the Estate will be prepared, at the written request of the Town, to make a grant of easement in perpetuity to the Town to carry out said intention, providing, however, that any expenses of survey and the legal and recording fees for preparing said grant will be borne by the Town.

Very truly yours,

(Signed) JOHN E. HERLIHY"

VOTED: That the Town accept the offer of the executors of the estate of Alonzo J. Shadman to make a grant of easement in perpetuity pursuant to the terms dated April 5, 1963 and that the town pay the cost of survey, recording and legal fees in connection with the processing of such grant.

---

ARTICLE 61—To see if the Town will vote to amend the Zoning By-Laws and zoning maps of the Town of Walpole by changing the following described parcel of land from Residence B District to Business District: — The land shown on a plan dated September 6, 1962 entitled "Plan of Land in Walpole, Mass." by McIntyre & Johnson, Inc., Walpole, Mass., said area being shown as a parcel containing 26,226 feet and being bounded according to said plan as follows: Northwesterly by the center line of Main Street, 188.09 feet, more or less; Southwesterly by other land of Albert W. Rimavicus, Jr.; Southeasterly 181.55 feet, more or less; and Northeasterly 125.00 feet, all shown on said Plan. (Petition of Albert Rimavicus, Jr. and others).

Louis E. Hoegler of the Town Planning Board offered the following motion: That the Town vote to amend the Zoning By-Laws and Zoning Maps of the Town of Walpole by changing the parcel of land as described in Article 61 from Residence B District to Business District.

The motion was defeated—No, 106; Yes, 99.

ARTICLE 62—To see if the Town will vote to change the Zoning of the land hereafter described to "Business to be used for the purpose of a Nursery and Garden Center." Beginning at the Town Line of Westwood and Walpole on the east side of North Street; thence southerly on North Street 300 feet; thence, easterly by other land of Raymond G. and Bertha Cote 200 feet; thence northly 150 feet to Bubbling Brook, which is also the Town Line; thence, westerly along the Town Line 300 feet to North Street and point of beginning. (Petition of Raymond G. Cote). VOTED: That no action be taken on this article. A motion to re-consider was defeated.

ARTICLE 63—To see if the Town will vote to accept a report of the Board of Survey and accept Cedar Street from Main Street to West Street or any portion thereof as shown on a plan entitled "Plan showing relocation and widening of Cedar Street in Walpole, Massachusetts," Kenneth E. McIntyre, Reg. Civil Engineer and Reg. Land Surveyor and dated August 3, 1949.

The following amendment was offered by George Pettingill: That the Town accept a report of the Board of Survey and accept a layout of Cedar Street from Main Street 1406 feet northerly, and from West Street 1400 feet southerly.

The motion as amended was VOTED.

ARTICLE 64—VOTED: That the Town vote to accept a report of the Town Planning Board and accept Charles Street from the end of the present acceptance 75 feet more or less.

ARTICLE 65—VOTED: That the Town accept a report of the Planning Board and accept Pemberton Street from the end of the present acceptance 242 feet more or less.

ARTICLE 66—VOTED: That the Town accept a report of the Planning Board and accept Woodruff Road northeasterly and southeasterly from the accepted part of Woodruff Road 600 feet as shown on a plan entitled "Plan and Profile of Woodruff Road in Walpole, Mass." Norwood Engineering Co., Inc. and dated February 26, 1959.

ARTICLE 67—VOTED: That the Town accept a report of the Planning Board and accept Bruce Road from Raymond Avenue to a point 243 feet southerly.

ARTICLE 68—VOTED: That the Town accept a report of the Planning Board and accept MacDonald Circle running southwesterly, northwesterly, northeasterly and southeasterly from the southwesterly end of the accepted portion of MacDonald Circle, 2090 feet more or less to MacDonald Circle as shown on a plan entitled "Plan and Profile of MacDonald Circle in Walpole, Mass." Norwood Engineering Co., Inc. and dated June 14, 1958.

ARTICLE 69—VOTED: That the Town accept a report of the Town Planning Board and accept Swenson Circle running 523 feet southwesterly from Common Street, as shown on a plan entitled "Plan and Profile of Swenson Circle, Walpole, Mass." Raymond G. Loring, Surveyor, and dated June 1, 1962.

ARTICLE 70—VOTED: That the Town accept a report of the Planning Board and accept Whiting Avenue running southwesterly, southeasterly and westerly from Pine Street as shown on a plan entitled "Plan and Profile of Whiting Avenue in Walpole, Mass." Norwood Engineering Co., Inc., and dated April 12, 1954 and Towle Road running southwesterly and southeasterly from Whiting Avenue to Whiting Avenue as shown on a plan entitled "Plan and Profile of Towle Road in Walpole, Mass.", Norwood Engineering Co., Inc., and dated April 19, 1954.

ARTICLE 71—To see if the Town will vote to accept and pave the balance of Chapman Street, a distance of 400 feet. (Petition of Basil McAusland). VOTED: No action—ruled out of order.

ARTICLE 72—VOTED: That the Town accept a report of the Planning Board and accept Breezewood Lane running northerly from Plain Street 676 feet as shown on a plan entitled "Plan and Profile of Breezewood Lane in Walpole, Mass.", Norwood Engineering Co., Inc., Civil Engineers, and dated August 26, 1960.

ARTICLE 73—To see if the Town will vote to accept a report of the Planning Board and accept Chandler Avenue running northerly and easterly from the northerly end of the accepted portion of Chandler Avenue as shown on a plan entitled "Plan and Profile of Chandler Avenue, Subdivision Plan of Cedar Hill, Walpole, Massachusetts," Wesley B. Thompson, Engineer, and dated January 18, 1955. (Petition of John J. Duffy and others). VOTED: No action.

ARTICLE 74—To see if the Town will authorize the Planning Board to accept on behalf of the Town upon its completion that portion of Chandler Avenue running northerly and easterly from the northerly end of the accepted portion of Chandler Avenue as shown on a plan entitled "Plan and Profile of Chandler Avenue, Subdivision Plan of Cedar Hill, Walpole, Massachusetts," Wesley B. Thompson, Engineer, and dated January 18, 1955. (Petition of John J. Duffy and others). On advice of Town Counsel, the Moderator ruled Article 74 out of order. No action taken on this article.

ARTICLE 75—To see if the Town will vote to accept a report of the Planning Board and accept Conifer Drive running easterly and northerly from the easterly end of the accepted portion of Conifer Drive as shown on a plan entitled "Plan and Profile of Conifer Drive, Subdivision Plan of Cedar Hill, Walpole, Massachusetts," Wesley B. Thompson, Engineer, and dated July 28, 1954. (Petition of John J. Duffy and others). VOTED: No action.

ARTICLE 76—To see if the Town will authorize the Planning Board to accept on behalf of the Town upon its completion that portion of Conifer Drive running easterly and northerly from the easterly end of the accepted portion of Conifer Drive as shown on a plan entitled "Plan and Profile of Conifer Drive, Subdivision Plan of Cedar Hill, Walpole, Massachusetts," Wesley B. Thompson, Engineer, and

dated July 28, 1954. (Petition of John J. Duffy and others). VOTED: On advice of Town Counsel, the Moderator ruled Article 76 out of order. No action taken on this article.

ARTICLE 77—To see if the Town will vote to raise a sum of money to create a stabilization fund in accordance with the provisions of Chapter 40, Section 5B of the General Laws. VOTED: No action.

---

### SPECIAL TOWN MEETING

**Walpole High School Auditorium, April 10, 1963 at 7:30 P.M.**

VOTED: To waive the reading of the Warrant.

The Moderator appointed the following tellers: John Barbour, Robert Cobb, Edward Lamore and Jesse Jeffery.

VOTED: That all recommendations of the Appropriation Committee be accepted as motions.

ARTICLE 1—Joseph Wissman, chairman of the Appropriation Committee, offered the following motion:

That the Town raise and appropriate by transfer from the Construct East Walpole Drainage System Account the sum of Two Hundred Thousand Dollars (\$200,000.00) for the construction of a drainage system in East Walpole as shown on a plan by Fay, Spofford & Thorndike, Inc., Engineers, dated December 1958 from Station 24 plus 65 in the vicinity of Walcott Avenue to Station 45 plus 70 in Francis William Park from that point to Station 49 plus 53 on Old Post Road.

Robert Foster offered the following amendment to be added to the original motion asking that the following work be done if funds permit:

1. Replace the Pickerel Brook Culvert at Union Street with a 6 by 5 foot culvert to permit the free passage downstream of drainage from the Old Post Road and other areas during flood.

2. Replace the Pickerel Brook culvert running easterly from Francis William Bird Park with:

- A. A 6 by 5 foot culvert at Walcott Avenue.
- B. Removing the present 3 foot pipe between Walcott Avenue and Pleasant Street and landscape the banks of the open brook between these streets.
- C. Clean out the remaining 3 foot pipe from Pleasant Street easterly or replace the remaining 3 foot pipe with a new pipe of the same diameter, whichever way is least expensive.

The motion to amend was defeated.

Then the original motion was voted.

At 8:30 P.M. it was voted to adjourn the Special Town Meeting, to re-open in the Adjourned Annual Town Meeting of Monday, April 8, 1963. After a short recess, the Moderator re-opened in Special Town Meeting, on motion by Joseph Wissman of the Appropriation Committee.

ARTICLE 2—VOTED: That the Town raise and appropriate by transfer from the Excess and Deficiency Account the sum of Forty Thousand Dollars (\$40,000.00) to reconstruct and pave Old Post Road from Polley Lane to High Plain Street.

ARTICLE 3—To see if the Town will vote to raise a sum of money to install drainage in Bullard Street from Main Street approximately 450 feet northerly. (Petition of Anna M. Michienzi and others.) VOTED: No action.

ARTICLE 4—To see if the Town will vote to raise a sum of money to install drainage in Brown Drive from the end of the existing drain to South Street, and in South Street approximately 800 feet northeasterly. VOTED: No action.

ARTICLE 5—VOTED: That the Town raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to install drainage in Federal Street as shown on a plan by the Walpole Engineering Department dated March 1963.

ARTICLE 6—To see if the Town will vote to raise a sum of money to provide a part-permanent Fire Department. *It was Moved and Seconded:* That no action be taken on this article.

John E. Moylan, chairman of the Committee of Permanent Fire Department, offered the following Substitute Motion: That the Town of Walpole raise by taxation the sum of \$45,285.97 to implement the 15-man permanent fire department proposal studied and advised by the Selectmen-appointed committee to determine the need for permanent fire-fighters in the Town of Walpole.

This Substitute Motion was defeated.

On the original motion, it was VOTED: No action.

ARTICLE 7—VOTED: That no monies be appropriated and that Memorial and Clark's Ponds be maintained for ice skating in the efficient manner that the Town has done in the past.

ARTICLE 8—VOTED: That the Town raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500.00) for the purchase of an ambulance with permission to trade or sell a 1952 Buick ambulance.

ARTICLE 9—VOTED: That the Town raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to defray the cost of a summer school program.

ARTICLE 10—VOTED: That the Town raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to secure plans and specifications for a new Junior High School.

ARTICLE 11—VOTED: That the Town raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for a recreational program for the physically and mentally handicapped.

ARTICLE 12—VOTED: That the Town accept a report of the Planning Board and accept Mill Pond Road, from the end of the present acceptance to Station 13 plus 0, as shown on a plan entitled Plan and Profile of Mill Pond Road dated April 29, 1955 by Norwood Engineering Co. For description, restrictions, and easements of record see (1) Plan and Profile of Mill Pond Road dated January 18, 1960 by Gordon Bronson, Engineers; (2) Plan and Profile of Mill Pond Road, sheet 1, dated August 5, 1957, by Norwood Engineering Co. revised September 10, 1962 by John Bruce Lewis; and (3) Plan and Profile of Mill Pond Road, sheet 2, dated April 29, 1955, by Norwood Engineering Co.; together with stipulations as set forth in said plans. (Petition of Roger F. Turner, Trustee.)

ARTICLE 13—VOTED: That the Town accept a report of the Board of Survey and accept Bruce Road from the end of the present accepted Bruce Road near Charlesgate Road northerly 88 feet more or less to the present accepted Bruce

Road as shown on a plan entitled "Plan and Profile showing a portion of Bruce Road, Walpole, Mass." K. E. McIntyre, Reg. Civil Engineer and Reg. Land Surveyor and dated July 6, 1953.

ARTICLE 14—VOTED:—That the Town vote to create a special unpaid committee to be known as the Regional Vocational School District Planning Committee, to consist of three members, including one member of the School Committee, all to be appointed by the Moderator, which committee may join with a comparable committee or committees, from one or more neighboring Towns and/or City, to form a Regional Vocational District Planning Board for the purpose of studying the advisability of establishing a Regional Vocational School District, and making recommendations, relative thereto, pursuant to Chapter 71, of the General Laws, Section 14 to 161 inclusive.

ARTICLE 15 — VOTED: That the Town amend Section II Sub-Section 3 (Location of District) of the Zoning By-Law by changing the following described premises on the "Zoning District Map of Town of Walpole, Massachusetts" from a General Residence District to a Business District: Beginning at an iron pipe on said Main Street at the most southerly corner of land, now or formerly, of Warren, said iron pipe is bearing S 39° 23' W, a distance of 24.20 feet from a town highway bound; thence in the same direction 93.77 feet, more or less, along the Northerly side of Main Street to a stake at land, now or formerly, of Ralph Davis; thence Northwesterly on land of said Davis, 225.00 feet, more or less, to a pipe at the Southerly side of land of the NY, NH & H RR Co.; thence Northeasterly on the land of said RR. Co., 87.07 feet, more or less, to a stake at the Northwesterly corner of said Warren land; thence Southeasterly on said Warren land as the fence now stands, 80.00 feet, more or less, to a stake; thence S 77° 12' E, 28.85 feet, to a stake; thence S 48° 19' E, 78.70 feet, to the point of beginning. Containing 17,336 square feet, more or less. Said premises being Lot A as shown on a plan entitled "Plan of land in Walpole, Massachusetts, October 1938, K. E. McIntyre, C.E., Walpole, Mass." and recorded with Norfolk County Deeds. (Petition of Joseph J. Lorusso.)

The declaration of the vote by the Moderator was disputed. The Moderator then called for a standing vote with the following results: — Yes, 154; No, 12.

ARTICLE 16—VOTED: That the Town raise and appropriate the sum of One Thousand (\$1,000.00) Dollars for a Grit Chamber to be installed in the sewer system.

ARTICLE 17—To see if the Town will vote to revise the By-Law governing the classification of Personnel and the Administration of Standard Rates and Wages and approve actions of the Personnel Board during 1962, following the Annual Town Meeting.

Fred P. Turco, chairman of the Personnel Board, asked that Article 17 be divided into two parts and considered separately, as follows:

Part I—Approval of action

Part II—By-Law changes

The Moderator agreed.

Mr. Turco then presented the following motions which were VOTED:

That the Town approve the actions taken by the Personnel Board following the 1962 Annual Town Meeting and prior to the 1963 Annual Town Meeting.

That the By-Law governing the Classification of Personnel and the Administration of Standard Rates of Salaries and Wages be amended as follows:

Section 15d.

Add the following paragraphs:

"An off duty police officer appearing at District Court to obtain a complaint shall be paid Three Dollars (\$3.00) per day or any part thereof. The Three Dollars (\$3.00) fee will not be authorized when a complaint is not issued nor will any compensation be paid.

For an appearance at District Court, Grand Jury or Superior Court for an examination, hearing, arrest or trial session, an off duty officer shall receive three (3) hours' minimum pay based upon individual hourly rate and said rate for each hour thereafter together with the retention of all witness fees.

The time and a half provision in the Walpole Town By-Law does not apply to the foregoing.

So far as practicable Court appearances shall be regulated by the Chief of Police."

#### REPORT OF WALPOLE PERSONNEL BOARD

Following the 1962 Annual Town Meeting and prior to the 1963 Annual Town Meeting, the following actions were taken by the Personnel Board and, it is therefore recommended to the voters of the Town that these actions be approved.

## REPORT OF THE FUTURE SCHOOL NEEDS COMMITTEE

By a vote of the townspeople at the 1962 Town Meeting the Future School Needs Committee was appointed by the Moderator to study the needs of the Town as they related to school facilities.

After an analysis of school department statistics, the revised Master Plan, the rate of building for the past few years, population growth and pre-school census, the committee's projection of school enrollment is as follows:

	1962	1963	1964	1965	1966	1967	1968	1969	1970	1971	1972
I. ....	464	410	445	480	515	550	585	620	655	690	725

**Dark Numbers** are actual enrollment figures—**Light Numbers**, projected enrollment.

The figures in the preceding chart were arrived at as follows:

1. The year 1962 is enrollment as of October 1962.
2. Increases in school enrollment over the past five years have ranged from a low of 164 in 1960 with a high of 291 in 1962.
3. Increases in elementary school enrollment over the past five years ranged from a low of 100 in 1957 to a high of 186 in 1962.
4. School enrollment increases are preceded by increased building activity 2 years prior to the increase.
5. Dropouts at the high school level average 20-25 per class after the ninth grade.

The above projections would indicate:

1. That the Town's most pressing problem was at the secondary school level and primarily at the senior high school in as much as the present enrollment in grades 5, 6, 7 and 8 exceed the 1150 capacity in the building. This situation will exist at the opening of school in September 1966. (The high school enrollment the previous year could exceed capacity if any extensive home building was done during the next two years.)
2. With the opening of school in September 1966 the high school should become a three year program and the ninth grade become a junior high school grade. However, at this time the junior high school, with a 900 pupil capacity will not permit the present third, fourth and fifth grades with a present enrollment of 1113 be accommodated in the building.

3. In September 1966 the enrollments at the primary school level will be at capacity using all available schoolroom space.

#### Recommendations:

1. It is our recommendation to the town that the School Committee proceed with plans for a new junior high school, to be ready in September 1966, with provisions in the building for the temporary use of elementary class rooms as needed.
2. Because of the present near capacity enrollment of facilities, we further recommend that the Planning Board consider this situation in granting approval for any large scale residential development.

JOHN F. POWERS, *ex officio*

#### THE SCHOOL BUDGET

No citizen of Walpole could fail to observe that Walpole is growing rapidly. It may not be realized by all, however, that our school population is growing at the rate of almost 10% a year. This June, for instance, about 150 students will be graduating, while next fall we expect 450 new students to enter the first grade. In addition to that gain of 300, other children (of families new to Walpole) will be starting in the upper grades. We are making ready for a total enrollment of at least 4076 next September.

This growth in the school population is the first reason for the increase in the school budget for 1963. It means more teachers, more books, and more basic equipment and supplies.

It will be remembered that the minimum permissible salary for teachers in Massachusetts was raised from \$4,000 to \$4,500 this last January 1. This automatically raised our teacher salaries by \$100 each for the entire year.

Last year our salary schedule was based on a starting figure of \$4,400. This was \$400 above the State minimum at that time, or about midway in the range of public school salary schedules among the towns of the Commonwealth. To maintain our relative position, and thus our ability to attract and hold teachers of character and talent, our salary schedule next fall will be based on a minimum of \$4,800.

This is a lower differential (\$300) above the State minimum than we had last year (\$400), but it will be reasonably competitive with comparable rural and suburban towns of the area. This salary adjustment is the other principal reason for the increase in our school budget for 1963.

As has been said before, we could not expect quality in our instructional staff if a teacher could say "There is no place in Massachusetts where I could earn less."

Wherever possible, other cost factors in the 1963 school budget have been held in check. Needs for new equipment have been deferred. Administrative salaries—which are in long-established ratio to teacher salaries—have been put on a slow track. That is, increases which would normally result from the current increase in teacher salaries, have been spread out into a three-year program—only 1/3 being effective next fall. Non-instructional salaries (nursing, cafeteria, secretarial, and custodial) show only minor adjustments and service increments.

Progress in the curriculum, on the other hand, has by no means been restrained

Many improvements have been, and are being made in the areas of subject matter, department/group development, in-service teacher training, reading development, and attention to the individual student.

*New Buildings* — The School Committee cannot ignore the increase in our school age population as it affects the number of classrooms needed. Voters know, of course, that nine additional elementary rooms will be available at the Boyden School next fall . . . and that 12 more are expected to be ready in the fall of 1964 at the new school on Old Post Road.

The school year 1965-1966 will, even so, see our facilities taxed to the breaking point. Neither the high school nor our present junior high school will hold all the students of that age (who are now students in our elementary schools). And there will again be an actual shortage of elementary rooms.

For this reason, the School Committee will ask the 1963 Town Meeting to instruct the Moderator to appoint a committee to prepare plans for a new junior high school to be ready in the fall of 1966. In this decision, the School Committee acknowledges with thanks the invaluable services of the School Needs Committee (appointed a year ago), as well as the Benjamin report, a previous projection of school needs by Dr. Marshall, and studies made available to us by the current "Old Post Road" School Building Committee.

A new junior high school, having approximately 20 classrooms and provision for adding more in the future if and when needed, and located on Town-owned land northeast of the junction of Elm Street and Robbins Road, will best alleviate the shortage of high and junior high classrooms, and temporarily) of elementary classrooms in the north and central sections of the Town.

WALPOLE SCHOOL COMMITTEE  
Paul C. Bunker, *Chairman*  
Mrs. Arthur W. Clapp, *Secretary*  
Garrett H. Dalton, Jr.  
John D. Murphy  
Lester J. Tarbell  
Roger A. Ives

There being no further business to come before the meeting, it was VOTED that the Special Town Meeting be now dissolved, at 10:40 P.M.

The Moderator re-opened the Annual Town Meeting at 10:42 P.M.

ARTICLE 2—Mr. Albert W. Deckel offered the following motion: That Article 61 of the Adjourned Annual Town Meeting of the Town of Walpole held on Monday, the eighth day of April, 1963 be re-considered. The motion to reconsider was defeated.

VOTED: That the Annual Town Meeting be dissolved. The moderator so declared at 10:50 P.M.

## TOWN OF WALPOLE

Commonwealth of Massachusetts

### SPECIAL TOWN MEETING

September 18, 1963 at the Walpole High School Auditorium

A quorum being present, Moderator George F. Barr opened the meeting at 8 P.M.

ARTICLE 1—On motion of Addis W. Dempsey, *It was Moved, Seconded*—To see if the Town will withdraw the petition of the County Commissioners to rebuild Fisher Street as a county or state road. We wish the Town to consider the rebuilding of Fisher Street in stages at Town expense and to retain it as a town road. (Petition of Addis W. Dempsey and others.)

After extended debate, the Moderator put the motion to a vote, and declared the motion of the petitioners *defeated*. (Voice Vote).

### SPECIAL TOWN MEETING

October 15, 1963

Held in the Walpole High School Auditorium

A quorum being present, Moderator George F. Barr opened the meeting at 8 P.M.

VOTED: To waive the reading of the Warrant. The Moderator appointed Robert A. Cobb as teller.

ARTICLE 1—VOTED: That a committee of three be appointed by the Moderator to investigate and study the need for expanding the facilities of the Walpole Public Library as recommended in the 1963 Summary Report of the Long Range Master Plan and to report at the next Annual Town Meeting.

ARTICLE 2—VOTED: That the Town appropriate by transfer, from the Excess and Deficiency Account the sum of six thousand seven hundred dollars (\$6,700.00) to reconstruct and extend the drain from Common Street to Clark's Pond.

ARTICLE 3—VOTED: That the Town appropriate by transfer from the Conservation Fund the sum of \$23,200.00 for the expense of purchasing, in accordance with the provisions of Chapter 40, Section 8C, of the General Laws, the Verderber property bounded and described as follows:

Beginning at a point on Northerly side of Gill Street at a stone wall and land now or formerly of Spear and running in a northwesterly direction along said wall and Spear land seven hundred fifty-two (752) feet, more or less, to an iron pipe; thence turning and running in a northeasterly direction along land now or formerly of Fisher four hundred fourteen (414) feet, more or less, to a drill hole; thence turning and running in a northwesterly direction along land now or formerly of Fisher one hundred thirty-five (135) feet more or less, to a drill hole; thence turning and running in a northeasterly direction along land now or formerly of Fisher four hundred ten (410) feet, more or less to a stake; thence turning and running in a northeasterly direction along land now or formerly of Fisher five hundred thirteen (513) feet, more or less, to a drill hole; thence turning and running in a northerly direction along land now or formerly of Fisher four hundred ninety-two (492) feet, more or less, to an iron pipe; thence turning and running in a northwesterly direction along land now or formerly of Fisher two hundred ninety-eight

(298) feet, more or less, to land now or formerly of Edwin Cobb; thence turning and running in a northeasterly direction along said Cobb land two hundred twenty-four (224) feet, more or less to the center of a brook; thence turning and running in a southerly direction along the center of said brook to said Main Street; thence turning and running in a southwesterly direction along said Main Street eighty-five (85) feet and ninety (90) feet to a point and land now or formerly of Chester Donnell; thence turning and running in a northwesterly direction along said Donnell land eighty-two (82) feet, one hundred six (106) feet and ten (10) feet, more or less, to a point; thence turning and running in a southwesterly direction along said Donnell land three hundred sixty (360) feet, more or less, to a point; thence turning and running in a southeasterly direction along said Donnell land two hundred and ten (210) feet, more or less, to said Main Street; thence turning and running in a southwesterly direction along said Main Street twenty (20) feet more or less, and thence turning and running in a northwesterly direction along land now or formerly of Swanson one hundred fifty (150) feet, more or less, to a point, then turning and running in a southerly direction along said Swanson land one hundred and ten (110) feet more or less, to a point; thence turning and running in a southeasterly direction along said Swanson land forty (40) feet, more or less, to a point; thence turning and running in a southwesterly direction along other land of Swanson one hundred eighty (180) feet more or less, to a point; thence turning and running in a northwesterly direction along land now or formerly of Leard two hundred thirty-four (234) feet, more or less to an iron pipe and land now or formerly of Ashman; thence turning and running in a northerly direction along said Ashman land one hundred fifty (150) feet more or less to a point; thence turning and running in a southerly direction along said Ashman land two hundred fifty (250) feet, more or less to said Gill Street; thence turning and running in a westerly direction along said Gill Street one hundred and twenty-five (125) feet, more or less to the point of beginning.

Specifically excluding and excepting the following described parcel:

Beginning at a point on the northerly side of Gill Street at a stone wall and land now or formerly of Spear and running in a northwesterly direction along said wall and Spear land four hundred and fifty (450) feet, more or less, to a point; thence turning and running in a northeasterly direction one hundred and eighty (180) feet, more or less, to a point; thence turning and running in a southerly direction two hundred (200) feet more or less to the northwest corner of Ashman land; thence running in a southerly direction along said Ashman land two hundred fifty (250) feet more or less to said Gill Street, thence turning and running in a westerly direction along said Gill Street one hundred and twenty-five (125) feet, more or less, to the point of beginning. (Petition of Conservation Commission.)

The VOTE WAS UNANIMOUS

#### A COMMENDATION

Robert Stewart offered the following resolution:

*Whereas*, it is resolved at this Special Town Meeting of October 15, 1963 that the anonymous donor of \$10,000.00 towards the purchase price be commended by the Town of Walpole and by its citizens thereby conserving an attractive area of our town and a recreational area for this and future generations of our youth and adult population alike.

ARTICLE 4—VOTED: That the Town appropriate by transfer, from the Excess and Deficiency Account the sum of seven thousand five hundred dollars (\$7,500.00) to install a sewer from the end of the existing sewer in Cobb Terrace to Gould Street and in Gould Street from Cobb Terrace northerly 150 feet, or any portion thereof.

ARTICLE 5—To see if the Town will vote to change the zoning from Rural to Limited Manufacturing on the following described property:

"A parcel of land, beginning at a point in the junction of the existing town line between Walpole, Massachusetts, and Foxboro, Massachusetts and a line parallel to and two hundred fifty (250) feet southerly of the center line of Route #1; thence running N.65-57-13E., parallel to and two hundred fifty (250) feet southerly of the center line of Route #1 a distance of twenty-four hundred ninety-six (2496) feet more or less; thence running S.8-30-E. a distance of two hundred forty-two and 74/100 (242.74) feet more or less; then running S.87-51-E. a distance of eighty-nine and 10/100 (89.10) feet; then running S.88-46-30E, a distance of one hundred thirty-eight and 80/100 (138.80) feet; then running S.88-27E, a distance of one hundred sixty-nine and 60/100 (169.60) feet; then running S.22-05W. a distance of one hundred ninety-three and 30/100 (193.30) feet; then running S.9-33E, a distance of two hundred forty-five and 65/100 (245.65) feet; then running S.6-25W. a distance of two hundred forty-nine and 50/100 (249.50) feet; then running S.16-33W. a distance of fifty-one and 86/100 (51.86) feet; then running S.26-41W, a distance of one hundred fifty-three and 26/100 (153.26) feet; then running S.64-08-30W. a distance of one hundred seventy-one and 85/100 (171.85) feet; then running N.65-59-30W. a distance of one hundred eighty-nine and 40/100 (189.40) feet; then running S.85-55-30W. a distance of one hundred ninety and 03/100 (190.03) feet; then running S.16-22-30W. a distance of two hundred forty-one and 47/100 (241.47) feet; then running N.81-03-58W. a distance of two thousand thirty-seven (2037) feet more or less to the point of beginning."

The following Substitute Motion was offered by Louis Hoegler, Chairman of the Walpole Planning Board, and was VOTED: That the Town change the zoning from Rural to Limited Manufacturing on the following described property:

"A parcel of land, beginning at a point at the junction of the existing town line between Walpole, Massachusetts, and Foxboro, Massachusetts, and a line parallel to and two hundred fifty (250) feet southerly of the center line of Route #1; then running N.65-57-13E., parallel to and two hundred fifty (250) feet southerly of the center line of Route #1 a distance of eleven hundred thirty (1130) feet more or less; then running S.22-49-13W. a distance of seventy (70) feet more or less; then running S.20-35-13W. a distance of one hundred twenty and 14/100 (120.14) feet; then running S. 60-12-17E. a distance of sixty-one and 20/100 (61.20) feet; then running N.73-27-13E. a distance of fourteen and 18/100 (14.18) feet; then running S.58-41-47E. a distance of seventy-six and 12/100 (76.12) feet; then running S.15-00-43W. a distance of one hundred thirty-eight and 15/100 (138.15) feet; then running S.53-59-17E. a distance of one hundred thirty-six and 33/100 (136.33) feet; then running S. 75-34-17E. a distance of one hundred and eighty and 32/100 (180.32) feet; then running S.15-55-43W. a distance of one hundred seventy-three (173) feet more or less; then running N.81-03-58W. a distance of one thousand three hundred and twenty-three (1323) feet more or less to the point of beginning."

The vote was unanimous.

The original motion as amended, was then carried by a unanimous vote.

ARTICLE 6—VOTED: That the Town accept a report of the Planning Board and accept Adrienne Road from Washington Street northwesterly 337 feet more or less to Glen Drive as shown on a plan entitled "Plan and Profile of Adrienne Road, Walpole, Mass." by Essex Survey Service and dated June 19, 1962.

ARTICLE 7—To see if the Town will vote to accept a report of the Planning Board and accept Elmcrest Circle from Mill Pond 678. feet southwesterly as shown on a plan entitled "Plan and Profile of Elmcrest Circle in Walpole, Mass.", Arnold

E. Schaier, C. E., Norwood Engineering Co. and dated May 2, 1955. (Petition of Planning Board.) VOTED: No action.

ARTICLE 8—VOTED: That the Town accept a report of the Planning Board and accept Glen Drive from Adrienne Road 325 feet southwesterly as shown on a plan entitled "Plan and Profile of Glen Drive in Walpole, Mass." Norwood Engineering Co., Inc., Civil Engineers, and dated August 31, 1960.

ARTICLE 9—VOTED: That the Town accept a report of the Board of Survey and accept Tetreault Drive from Fisher Street 990 feet easterly as shown on a plan entitled "Plan and Profile of Tetreault Drive in Walpole, Mass.", Norwood Engineering Company, Inc., dated September 5, 1962.

ARTICLE 10—VOTED: That the Town accept a report of the Board of Survey and accept Cobb Terrace from Gould Street 939 feet southwesterly as shown on a plan entitled "Subdivision Plan and Profile of Cobb Terrace, Walpole, Norfolk County, Mass." Joseph M. Monahan, Jr., and dated September 12, 1962.

ARTICLE 11—VOTED: That the Town accept a report of the Board of Survey and accept Walnut Street from the end of the present acceptance to a point 528 feet northerly as shown on a plan entitled "Plan and Profile of Walnut Street, Walpole, Mass.", Pilling Engineering Company, Inc., dated April 27, 1959.

There being no further business to come before the meeting, the meeting was dissolved at 8:35 P.M.

# Town Counsel

RICHARD H. KANNALLY, *Town Counsel*

	No. of Employees	Budget	Expenditures
1950	1	\$2,850.00	\$2,814.18
1960	1	4,660.00	4,585.84
1962	1	5,160.00	5,242.41
1963	1	\$5,500.00	5,452.70

The growth of the town, the expanding departments of our municipal government and the changes in the laws as passed by the Legislature has resulted in increased demands upon the services of your Town Counsel.

Many meetings have been held with the various boards and commissions as well as elected and appointed officials, which, of course, has resulted in the expenditure of many man hours.

Opinions, both oral and written, concerning town affairs have been furnished to the various town agencies and officials as requested by them, and legal advice has been given to officers of the town who requested it concerning the duties incumbent upon such officer by virtue of his office.

Appearances on behalf of the town have been made before the Superior Court in which there are now pending appeals and suits involving the town of Walpole. All claims against the town of Walpole have been referred to me and have been settled or are in the process of determination.

All legal instruments, including easements and deeds, have been prepared for the department or departments involved.

Money has been collected for the town under the lien law as applied to assistance programs.

I wish to take this opportunity to thank the Board of Selectmen, the Town Administrator and all officials, committees and commissions for their fine cooperation during this past year.

WALPOLE PRESS

**NEW AMBULANCE.** Anthony Sansone of Norwood turns over the keys to Sgt. John J. Buckley. Mark Dalton, driver, is at the wheel.

**CLARK'S POND** on Stone Street, the first pond acquired by the Town through the efforts of the Conservation Commission. This seven-acre pond and two acres of land surrounding it were purchased last year.
